California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California.

California has been called the "Mecca of the winter tourists." Its hotels and stopping places are as varied as those of all well regulated cities.

MISFITS.

A Mixture of Things and Thoughts

The blind pigs evidently need some eyes.

Obedience to law is a splendid motto or any one.

Every new institution boosts. Condensers are good advertisers.

Major McIndoe must at least admire Albany's persistence, which is what counts.

Why is it so hard to get the government to act in things without red tape a mile long.

Both our virtues and our faults live; but some can see the latter so much easier than the former.

The street car people have done so well on the First and Lyon street line they will do well to cover the city.

A car load of booze according to the Oregonian. Probably meant dray. It was only a cart load as a matter of fact.

The money has been ordered for the Albany P. O., but it will be a long time before it is needed. The selection of a site itself seems to take ages.

Three or four pages are devoted to the premium list, and nine or ten to boosting Eugene and Lane county. The interesting information is given by Mr. Hartog that it is not Eugene's paved streets that have made Eugene a miniature metropolis, but the University.

Five Generations.

Lebanon E. A.—Grandma Hardman, 85 years of age, and living near Spicer, by the recent birth of a baby daughter to Mrs. Bennett, of Albany, has reached the dignity of being a great-grandmother, an honor accorded to but very few persons. She is a pioneer of the '50's and has lived in this vicinity most of the time since. Our equable climate seems conducive to long life, surely.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by the constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing out an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (cause by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

S.S.S. CURES S.S.S. MALARIA

Malaria is due to impurities in the blood which destroy the rich, healthful qualities of the circulation, and reduce it to a weak, watery fluid. The body is then deprived of its necessary nourishment and strength, and is unable to resist the countless disorders that assail it, and the general system suffers in consequence. The appetite fails, digestion is weakened, chills and slight fever are frequent, while the sufferer loses energy and ambition. Boils, skin eruptions, and some times sores and ulcers follow when the blood becomes deeply polluted with the malarial germs. Both a tonic and blood purifier are needed to cure Malaria, and S. S. S. is best fitted for this work. It is the most perfect of all blood purifiers and at the same time an invigorating, healthful tonic. S. S. S. goes down into the circulation, and removes every trace of impurity or poison, and gives to the blood the health-sustaining qualities it needs. It cures Malaria thoroughly and permanently because it removes from the blood the germs and poisons which produce the disease, and while doing this tones up and strengthens every part of the system. Book with information about Malaria and any medical advice furnished free to all who write. THE SWIFT SPECIFIC CO., ATLANTA, GA.
