## Home and Abroad.

The Eugene Register accuses the city council of that city of being extravagant and wasteful. It certainly is putting a heavy burden on the people.

Jack Johnson, of Texas, yesterday in Australia, whipped Tom Burns, the champion, knocked him all too pieces, and is now champion, the first negro champion.

Miss Margaret Freerksen entertained a number of her friends in Portland at the home her sister, Mrs. F. E. Jackson, on East 44 and Belmont street, in honor of Miss Ethel Crowder and Mr. Irvin Curl, who were married on Dec. 22. The house was beautifully decorated with choice crysanthemums, carnations and smilax. The evening was very pleasantly spent with music and 500 and a choice lunch was served.

## THE EMPIRE.

Big crowds have been greeting Holmes and Holmes, the popular comedians, this week. Be sure and hear and see them tonight; also the little horse, the smallest yet and the fine moving pictures.

## Bean Magic Spray Pumps

Effective spraying means High Pressure Spraying and till the advent of the Bean Magic a high pressure could not be maintained with a hand pump for any length of time, on account of the body-racking effort needed to operate it. The Bean patent spring divides the work between the two strokes of the handle and works against only one-half the pressure shown on the gauge and saves exactly one-third the labor.

We have these pumps in stock and will be pleased to show them. We cannot recommend them too strongly.
