The purses found in the shed of Ben Rozelle, mentioned in the Democrat last evening, were identified last evening as belonging to Miss Preston, who has been visiting at the home of J. M. Ralston. They were taken from the hall of the residence of J. M. Ralston, on the 18th. One purse contained \$3 or \$4, which was what the thief was after, for he did not seem to want the purses.

Near Beer Ordinance Passed, with Emergency Clause.

Adjourned session Tuesday evening, Dec. 29.

Present:—Mayor, Recorder, Chief of Police and Councilmen Tomlinson, Miller, Dawson and Hand.

Petition of W. A. Sharp and others for a sewer was granted.

The ordinance providing for a right of way across Jackson street, near the fruit cannery, for a track by the Albany Preserving Co., after amendment, was passed.

The matter of a sewer to the property of C. A. Gray and others was discussed, reconsidered and referred to the committee on health and police.

The property of Stephen Freerksen, block 61, was ordered connected with the sewer.

A new ordinance prohibiting the sale or giving away of near beer, spirituous wines or malt liquors not intoxicating, was read three times and passed unanimously. The penalty is \$50 to \$100 or 25 to 50 days imprisonment. Each sale constitutes a separate offense. Mr. Miller in voting stated that he was informed by the officers that such an ordinance is necessary for the better enforcement of the liquor nuisance ordinance, hence his vote.

A proposition was submitted by R. L. Burkhart for a park, offering the "first lake" property, consisting of 10 to 15 acres, to the city upon its expending \$1500 a year for five years, when the city will be granted a perpetual interest in the property contingent upon the continued expenditure per annum of the above amount, otherwise to revert to the original owner. The committee recommended the acceptance of this. Other property adjoining may also be secured. It was also reported 11 acres of the Hackleman property offered for \$4000. Continued under present committee.

The ordinance permitting Barrett Bros. to erect a corrugated iron building adjoining their warehouse and store, passed at the last session of the council, was reconsidered, amended so as to provide for the removal of the buildings at the end of two years, and passed.
