

Albany Democrat

HARRISBURG.

Bulletin:—
Mr. and Mrs. C. F. White came up from Albany Sunday for a few days visit.
Mrs. M. K. Boyle died at her home in this city Wednesday morning at about 8:30 o'clock, after an illness of about three weeks.
The tax levy for Harrisburg will be 22 mills this coming year. It is divided, 5 mills for city purposes, 2 mills for school, and 12 mills for this county. This is the heaviest tax to which this town has ever been subjected.

W. W. Francis, county treasurer, was in town yesterday shaking hands with old friends. He has a warm spot in his heart for Harrisburg as he spent many a day in sight of its church towers.

Mrs. Carter Allingham probably has the distinction of receiving a Christmas present from the longest distance of any arriving in this county. It came all the way from Ireland and was sent by a friend. The present consisted of 50 yards of fine linen and two doilies.

The big booster meeting next Monday will be addressed by the biggest booster in the Willamette Valley, John H. Hartog, of Eugene. We are not forgetful either of the good work of Brother Daset and the glad hand Albany extends. They are all glad old Harrisburg is going to do something.

The Review:—
Albany, our old home town, is getting too swell for us. Had it not been for our friend Fred Nutting, of the Democrat, we would sure have gone to Lebanon, but Fred didn't say a word about it. With seven or eight passenger trains at the fine new union depot Albany has a metropolitan appearance.
The Review editor owns a fine Shepherd dog that we want to give to a party looking for a whole lot of trouble. We have only had him a few months, but he's cost \$3 license, two subscribers, a scrap, and more precincts to hear from. Apply for the beast when Mrs. Review is not at home, and thereby avoid more trouble.

FINCH TO HANG FEB. 5.

PORTLAND, Jan. 2.—Judge Bronaugh sentenced Jas. A. Finch to be hanged on February 5th. Finch personally interposed a long series of technical objections to the passing of sentence. The judge appointed R. L. Phillips death watch over Finch in his solitary cell where he will be kept until taken to Salem for execution. Finch stood with hands clasped and displayed no more emotion than his attorneys. Five days was granted in which to file a motion for a new trial.

Official Dismissed.

PEKIN, Jan. 2.—Yuan Shi Kai was dismissed from office as grand councillor and commander in chief of the forces today. It has caused much consternation among diplomats of other powers.

To Be Raised.

SALEM, Jan. 2.—Total amount of revenue to be raised by the thirty-four counties for the year ending December 31 next for state purposes not provided for special tax duty is \$1,275,000, as against \$1,150,000 last year.

Nineteen Hundred Nine.

1909!
That looks fine!
Little Miss New Year is surely mine.
You gay young thing,
With a restless wing,
What is the message that you bring?
The old year smiled
At the laughing child
With naught of the taint of time defiled,
But he heard his knell,
And said farewell
As into the grave of the years he fell.
1910 —
What then?
Will it be but a wall "It might have been!"
Let's catch and hold
The filtered gold,
From the stream of Time, e'er the knell is toll'd.

CHRISTIAN CHURCH

Its Annual Meeting and Banquet.

The members of the Christian church met in their annual business session New Year's eve. Officers were elected, reports made and general business transacted. The reports indicate a solid growth in all the lines during the year, giving a net membership of 376. The different organizations in the church showed that there had been much activity in every direction. A young ladies' missionary society was organized early in the year and made a splendid showing. The financial committee for the year reported an increase to be raised during 1909. The past success and spirit of liberality warrants the possibility of greater efforts. The pastor's salary was increased \$300. A greater church for the New Year was the prevailing sentiment.

The following Bible school officers were elected: F. M. Powell, superintendent, J. J. Evans, assistant, M. L. Sanders, secretary, Ross Douglas, treasurer, Miss Susie Tapper, librarian, Miss Louise Leatherman, organist.

New Year's evening a great banquet was enjoyed by the members and friends of the church. About 250 were present. F. M. Powell and Ralph McKechnie acted as toastmasters with great credit to themselves and the pleasure of all. Toasts were made by evangelists Whiston and Longman, Winifred Royce, W. A. Eastburn, J. A. Nimmo, and the pastor J. J. Evans. In the after program Miss Ethel Swank sang a solo with effectiveness. Evangelist D. E. Olson of Eugene gave an inspiring talk on revival work. E. D. Cornett from the Central church said this church should be a good one for he started many of them right in his Sunday school class several years ago. Prof. Kendall, Albany's favorite entertainer, gave a few selections in his inimitable way to the delight of all. Longman sang as only Longman can. The height of the enthusiasm was reached when Evangelist Whiston was introduced and in turn introduced his team mates to the audience. His enthusiasm knows no bounds. Whiston and wife and Longman are a great team.

Hon. A. M. Holt was No. 23 of Hunters' license, this afternoon.

Albany now has three delivery wagon systems: Eastburn & Hart's Neeley and Lee and Ben Maybury.

More Money For You

Greater productiveness of trees — larger, cleaner, and finer fruit — more money. Isn't that fruit growers' reasoning? Nothing will contribute to this end more than effective spraying. And Effective Spraying can best be attained with

Bean Magic Spray Pumps

Effective spraying means High Pressure Spraying and till the advent of the Bean Magic a high pressure could not be maintained with a hand pump for any length of time, on account of the body-racking effort needed to operate it. The Bean Magic patent spring divides the work between the two strokes of the handle and works against only one-half the pressure shown on the gauge and saves exactly one-third the labor.

We have these pumps in stock and will be pleased to show them. We cannot recommend them too strongly.
