OREGON.

Portland, January 18.—No news that has been received by the people of Oregon during the last twenty four months is so important as the announcement that the trans-continental railroads will make a rate, beginning March 1st and continuing until April 30th from Kansas City, Omaha, St Paul and Minneapolis, Winnipeg and other similar situate towns, to all main line railroad points in Oregon, for \$25.00.

MR. O'BRIEN SAID.

According to an interview in the Oregonian with J. P. O'Brien, just home from a trip to New York, the home from a trip to New York, the probably route built by the Harriman syndicate will be the one south from Shaniko, the most expensive to construct, but the least expensive to maintain, the estimate being \$4,000,000. The cost of the C. & E. extension is placed at ahout \$2,000,000 and that of the Deschutter road at less; but the probability seems to favor the Shaniko road, though it is not settled. Nevertheless the Democratic informated, the C. & E. will probably be extended to a junction with the road and made at feeder, instead of the main line as has been proposed. All valley people ask is to have it extended into Crook county in any old way, just so it gets there.

Limb Peeled and Foot Was Like Raw Flesh-Had to Use Crutches, and Doctors Thought Amputation Necessary — Montreal Woman Writes of Cure Seven Years Ago.

BELIEVES LIFE SAVED BY CUTICURA REMEDIES

"I have been treated by dectors for twenty-five years for a bad case of eczema on my leg. They did their best, but failed to cure it. My dootor had advised me to have my leg cut off, but I sudd I would try the Cuticura Remedies first. He said, "Try them if you like, but I do not think they will do any good." At this time my leg was peeled from the knee, my foot was like a piece of raw flesh, and I had to walk on crutches. I bought a cake of Cuticura Soap, a box of Cuticura Pills. After the first two treatments the swelling went down, and in two months my leg was cured and the new skin came on. The doctor could not believe his own eyes when he saw that Cuticura had cured me and said that he would use it for his own patients. I used two cakes of Cuticura Soap, three boxes of Olistment, and five bottles of Resolvent, and I have now been cured over seven years, and but for the Cuticura Remedies I might have lost my life. I have lots of grand-children, and they are frequent users of Cuticura, and I always recommend it to the many people whom my business brings to my house every day.
