Business Situation In Albany.

Yesterday a shoe drummer, representing a house of national reputation, offered to buy the entire shoe stock of The Toggery in order to stop the price cut on shoes in Albany. The offer was quickly refused for the benefit of customers.

This incident suggests the noticeable volume of business being done at The Toggery 33 1/3 per cent off retirement sale. The price cut prevails on all articles of mens attire in the store.

Dreamland has

the Show.

The bill now on at Dreamland is still pleasing the many patrons who have seen it.

The Hattons present for the last time the laughable little sketch entitled "Divorced". They are clever artists and handle the sketch in a very interesting manner.

In addition to the above there will be a big double program of moving pictures presented. There are three very interesting as well as educational films. The Skipper's Daughter a very interesting and stirring picture taken from the story of a seaman's pretty daughter and her lovers; When Love Will, a hand colored film presenting some spectacular scenery is pleasing to the eye, deals with a pretty love story. All's well that ends well, is a good story put in pictures.

This is a very interesting bill and everyone should see it.

Presented for the last time at Dreamland tonight. Come and follow the crowd to Albany's family theatre "Dreamland" tonight. 10 cents only.

DOES BOOSTING PAY?

Some Results Obtained by First Methodist Sabbath School Workers.

The first of this year, the "Boost" microbe got his grip on the Methodist Sunday School, with such telling effect, that the members with but few exceptions, now have a chronic case of "Boost-itis".

So effective has the boosting been, that the present enrollment surpasses any former record. The average attendance for the first quarter of last year was 107, while this year, for the same period, it was 180, a gain of 73.

The present enrollment is 286 and new members are being added every Sabbath. There were 257 present last Sabbath.

There is a membership contest now being waged, between a class of young ladies, taught by Mrs. C. V. Littler and a class of young men, taught by Mr. A. M. Hammer. Last Sunday there were 41 in the young ladies class and 44 in the young mens class. The class having the greatest number of points, when the contest closes, May 2nd, will be banqueted by the other class.

Mr. J. B. Coughlin has offered to banquet the Adult Bible Study Class, of which he is teacher, providing the class enrollment reaches a certain mark by May 2nd.

There is a place in this school for any, young or old, who do not already belong to a Bible School.

Easter Sunday, the members of this school will have charge of the evening service, for which an excellent program is being prepared.
