## CONFESSING CHRIST BEFORE MEN.

Evangelist Johnson preached to people who are afraid to confess Jesus Christ publicly at the big tabernacle last night. His words were directed to those who love the praise of men more than the praise of God and he told the big audience that those who claimed to be leading Christian lives but were ashamed to confess Jesus Christ before men are unsaved.

The sermon last night was an able one and made a profound impression on the big tabernacle crowd. More spirit and interest in the meetings is apparent every night.

Special music marked last evening's service. Mrs. F. P. Nutting and D. W. Wakefield, a prominent Portland business man who is visiting Albany relatives, sang splendidly and the big crowd cheered and cheered until they returned to the front of the platform and sang part of the song over again. Professor Wegner sang another of his excellent solos last evening and the big chorus choir made the tabernacle ring as usual. The Junior Choir was out in full force last evening too and won applause on the chorus of "There's Nothing but Sunshine for Me."

Among the visitors at the services yesterday was Rev. W. T. Wardle, pastor of the First Presbyterian Church of Lebanon. He sat with the local ministers on the platform last evening.

Evangelist Johnson announced last evening that on account of the evangelistic meetings the students of the Albany High School have decided to give up their annual commencement dance this year and will hold a banquet only. This announcement was greeted with cheers.

There is a movement on foot to close all of the business houses of Albany for the afternoon meetings on Wednesday, Thursday and Friday of next week and Tuesday, Wednesday, Thursday and Friday of the week following. It is the plan to have all business houses close from 3 to 4 o'clock in the afternoon on the days named so that the business men and their employees will have a chance to attend the afternoon meetings.

There were 71 professions of Christianity at the children's meeting yesterday afternoon at the First Christian Church. Mrs. Johnson conducted the third of a series of meetings for the Albany school children and 200 children were present. When she finished her able talk and asked the children to turn to Christ and lead Christian lives 71 of them accepted the invitation.

Rev. Johnson preached at the tabernacle yesterday afternoon on the subject of "Prayer." His text was St. Luke 11:1, "Lord, teach us to pray." He urged the Christian people of Albany to pray for the meetings and said that the measure of prayer by the people in any church would be the measure of the blessing of God on that church and therefore in the church.

"I believe that God is giving Albany the chance of its history to turn to Christ and if church members fail to come out and it will be their fault if many are lost," he said.

Miss Shaffer continued her discussion of the subject of "Personal Work" at the tabernacle yesterday afternoon in the last class of the week. She dealt particularly yesterday with the difficulties which Christian workers meet in the form of reasons from people who honestly believe that they cannot be
