### Reaching the Spot

To Can Be Done, So Scores of Albany Citizens Say.  
To cure an aching back, The pains of rheumatism, The tired-out feelings, You must reach the spot—get at the cause.

In most cases 'tis the kidneys. Doan's Kidney Pills are for the kidneys. James Greehagh, formerly of 707 E. Fifth St. Albany, Ore., says: "Early in the winter I had an attack of sciatic rheumatism and as I had always been a healthy man it seemed very severe. The pain was mostly in my kidneys and often extended into my limbs. I thought that treating the kidneys would be the best method to get relief and as Doan's Kidney Pills were highly recommended, I obtained a supply. The pains began to lessen soon after I commenced the use of this remedy and I procured a second box. I had only started its use when the last trace of the trouble disappeared and I gladly say that I have been free from it since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.  
Remember the name Doan's and take no other.

W. J. Clark has been reappointed postmaster at Gervais, his fourth term.

Beginning July 22 there will be a daily passenger train on the new Corvallis and Alsea road, leaving Corvallis at 7 a. m., and Glenbrook the present terminus for the return at 2 p. m.

In a base ball game at Washington yesterday the democrats defeated the republicans 26 to 16. Congressman Hawley was sub pitcher and Longworth was center fielder. Heflin pitched for the democrats and Kincaid caught.

Corvallis business men have begun a movement to bridge the Willamette at that city, at a cost of \$50,000. Corvallis and Benton county will have to do it alone. That is the way Albany did, and it will be in order to return compliments. The move is a good one.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. ## MISFITS.

Milt Miller is doing some tall boosting for Lebanon.

Johnson is now ready for almost anything. He was in an auto smash up. The pugilist is referred to.

Harrisburg is the dog center of the valley anyway, having the only training quarters in this part of the country.

Revise downward declares President Taft, and that is what was promised; but the plutocratic senators, members of the trusts, tried the other trick.

Terry McGovern, once the best fighter of his size in the world, is now in a sanitarium, ruined by dissipation and a fast life, almost the universal result of the prize fighter, which has been made a saloon game.

People always disagree about a singer. Some think Madame Virginia Lishmann of the Innes Co. is the greatest ever. Her father is a prominent violinist and she is said to be educated to the last notch. Next.

The young ladies of Walla Walla have risen up against the practice of allowing lawn sprinklers to also cover the sidewalks. Albany is also affected. Funny how selfish and inconsiderate some people in this world are.

The Salem Journal says Eugene has one live local paper, that the other is for sale. As a matter of fact Eugene has two of the liveliest papers to be found anywhere. One of them has given the Journal some mighty live whacks, and that is probably the paper that is not very lively and is for sale—in a horn.

The Portland Journal objects to the Democrat's statement that the house represents the people, particularly with Cannon in it. The point is an interesting one. The house certainly represents the people, all they are represented in congress, though it is a fact that Cannon detracts immensely from the result. Cannon belongs in the Senate. He is in the wrong stall and should be shifted to where he belongs.

Albany is getting it rubbed in on all sides. Perhaps Albany will some day awaken to a realization that a real good "hub" is dependent to a great extent upon its spokes to be a success. If the spokes are slighted the "hub" cannot be of much account.—Brownsville Times. Albany is having it rubbed into it more than other towns that amount to anything, probably not as much as some. This rubbing business amounts to nothing anyway. Albany is having its best growth and greatest improvement in its history.

We notice the county court has turned over to the Albany Commercial Club all of the fancy fruit jars which have been accumulating dust in the court house for the past year or two. That is a good move. Harrisburg put in a bid for the jars and would have had them filled long ago. The judge was afraid it wouldn't be doing the fair thing however to allow the jars to venture out where the Albany people couldn't have their wishes first gratified.—Bulletin. This is where it belongs. Albany men are the ones who have done the filling of it.

The Corvallis Gazette-Times, which has it in for Albany even rubbed it into our tabernacle, in the following manner showing the writer was hunting for speck: "The concert was given in Albany's tabernacle, the only recommendation of which is its capacity. The tabernacle was hardly an acceptable place for the performance, or else carelessness was at fault. There was a crash and crack here, there and elsewhere at all times, interfering with the perfect enjoyment of the fine passages. A little gust of wind made sounds that indicated the early collapse of the structure."
