## HARRISBURG

Bulletin:—  
If anything like justice was done Harrisburg would be swamped with people buying up our cheap farm lands.  
John Norwood has sold his ranch adjoining town to Mrs. Harvey Sommerville, the deal being closed yesterday. Mr. Norwood will retain five acres adjoining the Herman place.  
The firm of Hill & Shisler has dissolved partnership, Mr. Hill buying the interest of his partner. In the change Mr. Hill takes his son into partnership and will do business under the firm name of Hill & Co.  
Harrisburg, Monday night and until the 1:10 train Tuesday, was honored by the presence of Ex-Congressman J. N. Williamson. Williamson was born and raised about two miles west of here, moved from here with his father's family to Salem in 1869, when he was fourteen years of age. He graduated from the Willamette University in 1875, went to Prineville in 1876 and engaged in sheep raising. His success in business and his interest and ability in discussing public affairs led to his nomination and election to the lower house of congress.

### Atter a Girl.

Salem Journal:—  
Detective Wm. Eekett, of Portland, was in Albany yesterday to bring back to Salem Miss Richards who had been in that city for a few days. The girl is under the juvenile court of Portland, and was allowed to work in Marion and Polk counties, but as soon as she skipped into Linn, she was ordered back. She will be under the supervision of the juvenile court until she becomes of age, one and a half years.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

## MISFITS.

Shirt waists make big laundry bills.  
The watermelon is now IT in the market.  
The harvest hand is the man who is wanted now.  
People are busy calling other people who differ from them fools.  
About the narrowest people in the world are those calling other people narrow.

Mr. Hill also has a crew up the Deschutes, with an equipment. Now what's up.  
It is the 24th, the day when the tariff fight was to end, but it is on and more to come.

Some people wear themselves out and have to have an outing. Others take care of themselves as they go along.

The Democrat is a shouter for Albany men and institutions all the time, and in ancient language, "don't you forget it."

All the same, but for Portland the Corvallis and Eastern would have been extended. At least everybody up this way says so.

The caves in Josephine county are to be set aside for national care, which will mean a long red tape before anything is done with them.

Kruttchnitt is now in Oregon. If he comes down this way we will show him where the C. & E. should be extended and suggest quickness.

Good boosters: post cards with views of the new high school, our pretty residences, good business street views, pictures of our superior looking fruit, stock, etc. Keep on sending them east.

### For a Fine Outing.

Go to Lower Soda and stop with S. E. Hulins. The hotel accommodations are good. The camp ground is the best in that vicinity, being dry and clean and is free to all. Mr. Hulins has a good feed barn and gives the horses plenty to eat. Fishing and hunting are good and Mr. Hulins can put you on the right spot. Mrs. Hulins serves the best meals to be had.  
You will find the Hulins' at Lower Soda a very pleasant place to stop. The soda water is free. You do not have to cross the river; but keep on the right hand side all the way up. I am sure you will be pleased.  
H. F. MCGILLWAIN.

### Economy Demonstration.

On July 31st, at M. G. Stetter's store there will be a demonstration of the Economy Fruit Jar, an all-day affair. The Economy is a jar worth trying. Here is a sample testimonial: "I have never lost one jar since using the Economy, and am not afraid of ever losing any, for if the simple directions are followed, failure is impossible. Canning becomes a pleasure rather than a task when one feels secure from failures.  
I am one who thinks fruit preserved in an Economy has a different and superior flavor. It is without doubt far superior to fruit put up in other jars. The reason to me is simple—no taste of rubber rings can be detected. I am exceedingly grateful to whoever invented the Economy jar."  
MRS. S. MCGILLIARD, Waldo, Or.

### To Water Consumers.
