"WHAT IS A FRIEND GOOD FOR

If you cannot use him?" is an expression one often hears in a joking way, and yet there is some merit in it. A BANK ACCOUNT is a friend you can use when you please. It will ask no questions and will never reproach you. A GOOD FRIEND when you want to be good to yourself or family by indulging some luxury long desired, or when you wish to take that railroad trip for pleasure and recreation. A BETTER FRIEND when you have a bill to pay, or have a chance to make some good investment. YOUR BEST FRIEND when the days of trouble come, when perchance sickness breaks in upon your household and expenses are piling up. Do you want a friend that is worth while? One that is a friend all the time whether you are happy or in distress? It is easy to start a bank account. The more you add to it the better it will be your friend.
