Reaching the Spot

To Can Be Done, So Scores of Albany Citizens Say.

To cure an aching back, The pains of rheumatism, The tired-out feelings, You must reach the spot—get at the cause.

In most cases 'tis the kidneys. Doan's Kidney Pills are for the kidneys.

James Greehalgh, formerly of 707 E. Fifth St. Albany, Ore., says: "Early in the winter I had an attack of sciatic rheumatism and as I had always been a healthy man it seemed very severe. The pain was mostly in my kidneys and often extended into my limbs. I thought that treating the kidneys would be the best method to get relief and as Doan's Kidney Pills were highly recommended, I obtained a supply. The pains began to lessen soon after I commenced the use of this remedy and I procured a second box. I had only started its use when the last trace of the trouble disappeared and I gladly say that I have been free from it since."

MISFITS.

Clear to the depot on pavement.

Come on Mr. Oregon Electric, you are wanted.

Portland papers show bad taste in knocking the Seattle fair.

Bet Dr. Cook climbed Mt. McKinley, too, just as he has said he did.

The usual hunting signs were up over the country, but that is all it amounted to.

No state is ahead of Oregon in educational matters along general lines. Its standard is high.

Last day of the great A. Y. P. E., which has been a success and a splendid thing for the whole northwest.

Linn county had some fine public school exhibits at the Seattle fair, which received medals, but the four glasses of jolly were the only industrial displays.

Marion, Benton, Polk and Yamhill will have displays at the apple fair, warm after the first prize. This fair is going to do much to bring the Willamette Valley to the front as an apple section.

About every paper in the valley has mentioned the Albany apple fair. Generally they appreciate the fact that such a fair is a booster for the whole valley. Only one paper has asked for pay for the great work, one at Independence.

The O. A. C. foot ball team is in a bad way, in one respect, but in a good way in another, for Coach Metzgar is endeavoring to build up a clean team of men who will behave themselves, and that is better than a winning team of chumps.

GASOLINE BURNS FATAL.

Boatman Tries to Refill Tank With Lighted Lantern in Hand.

Everett, Wash., Oct. 8.—While gasoline was being transferred from one fishing launch to another near Mukilee last night, the flames were ignited by a lantern and Elton Graham was burned to death.

His companions, J. Everett Graham and F. Francis Allys were burned but escaped death by leaping into the water. Graham is in a hospital here. All the men are from Seattle.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
