2 1/2 TIMES AS MUCH LIGHT FOR THE SAME MONEY

Tungsten Lamps Make Electric Light Much Cheaper

They have two and a half times the efficiency of the ordinary carbon lamp known in general use. The filament is made of a rare metal called Tungsten, which yields an intense brilliancy at low cost. In shape and size the bulb is just like any other electric incandescent lamp. Why not try a Tungsten lamp yourself? Get one of the 40-watt and use it somewhere in your house in place of one of your carbon lamps. Then observe the great difference. Note the clear white light, exactly twice as brilliant and costing you one-fifth less for electricity. Tungsten lamps are destined to displace all others, for both store and house lighting.

ALBANY

Doings In and Around It.

Oysters at The Coast. How about THAT chair. Have you ordered that chair yet. Boost the Albany made chair. Hot chicken tamales at The Crest. Sit down in one of those Albany made chairs.

Good weather for oysters. Try Hofflich's. The sauer kraut season is here. Conrad Meyer has it.

Some fine home-made sauer kraut at Conrad Meyer's. Try it.

What's better than well prepared and served oysters. Go to H. Hofflich's. Carry a "Hull" umbrella and you have the best. Fresh sells them. Ice cream and lunches at The Vienna Bakery. Call and try them.

Wash, all sizes and kinds, for sale at the Albany Planing Mill, cheaper than anywhere else in Albany. Skillfully prepared if desired.

Hot tamales, new receipt, something fine, up to date, at Hofflich's. Go around and have a hot old time and a good one.

The "Hull" detachable handle umbrellas are perfection of style and quality, and cost no more than other umbrellas. French, the Jeweler, sells them.

The Alocs now have a record of 51 to 0, without a touchdown against them. A couple men on the street today sold jewelry and potato peelers, certainly experts at their business.

Hallowe'en novelties for Hallowe'en parties at the Mission Parlors. See the windows.

There is a new order of things around at Hofflich's, neatly served meals and lunches, including meats and numerous delicacies, in addition to the regular confectionary.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

MISFITS.

The Siskiyous got shook up or down.

Apple fairs take work, but they count for progress.

Big money in fruit if done right. That's the point.

Jack and Jim are to fight 45 rounds. It wont take that long.

When it comes to apples North Albany is right on the map.

The apple fair will keep on boosting. It has set people to thinking.

The Albany women will soon show what can be done in flower culture.

Some one says it would be impossible for a congressman to stop on a ten minute speech.

It doesn't take bullies to make a foot ball team, Coach Metzgar of O. A. C. is proving this.

Portland is nervous. A home there has been mysteriously upset, tables jumping around, plates standing on edge, etc. What was the force. Perhaps the Siskiyou earthquake.

Hallowe'en is upon us. Due Sunday night it is said it will be observed by the raiders tonight, in the usual obstreperous manner. The occasion is not one for lawlessness, and even boys should be decent.

Prof. J. B. Leatherman, of this city, was one of the most interested spectators in the big winnings of Zinn & Galloway at the apple fair. The Prof. developed the apple orchard and sold it to them, and they have been keeping it up in splendid shape.

GASOLINE BURNS FATAL.

Boatman Tries to Refill Tank With Lighted Lantern in Hand.

Everett, Wash., Oct. 8—While gasoline was being transferred from one fishing launch to another near Mukilteo last night, the fumes were ignited by a lantern and Eldon Graham was burned to death.

His companions, J. Everett Graham and F. Francis Aljys were burned but escaped death by leaping into the water. Graham is in a hospital here. All the men are from Seattle.

Reaching the Spot

To Can Be Done, So Scores of Albany Citizens Say.

To cure an aching back, The pains of rheumatism, The tired-out feelings, You must reach the spot—get at the cause.

In most cases 'tis the kidneys. Loan's Kidney Pills are for the kidneys.

James Greenhalgh, formerly of 707 E. Fifth St. Albany, Ore., says: "Early in the winter I had an attack of sciatic rheumatism and as I had always been a healthy man it seemed very severe. The pain was mostly in my kidneys and often extended into my limbs. I thought that treating the kidneys would be the best method to get relief and as Loan's Kidney Pills were highly recommended, I obtained a supply. The pains began to lessen soon after I commenced the use of this remedy and I procured a second box. I had only started its use when the last trace of the trouble disappeared and I gladly say that I have been free from it since."
