2 1/2 TIMES AS MUCH LIGHT FOR THE SAME MONEY

Tungsten Lamps Make Electric Light Much Cheaper

They have two and a half times the efficiency of the ordinary carbon lamp hitherto in general use. The filament is made of a rare metal called Tungsten, which adds an intense brilliancy at low cost. In shape and size the bulb is just like any other electric incandescent lamp. Why not try a Tungsten lamp yourself? Get one of the 40-watt and use it somewhere in your house in place of one of your carbon lamps. Then observe the great difference. Note the clear white light, exactly twice as brilliant and costing you one-fifth less for electricity. Tungsten lamps are destined to displace all others, for both store and house lighting.

Reaching the Spot

To Can Be Done, So Scores of Albany Citizens Say. To cure an aching back. The pains of rheumatism. The tired-out feelings. You must reach the spot—get at the cause.

In most cases 'tis the kidneys. Doan's Kidney Pills are for the kidneys. James Greehalgh, formerly of 707 E. Fifth St. Albany, Ore., says: "Early in the winter I had an attack of sciatic rheumatism and as I had always been a healthy man it seemed very severe. The pain was mostly in my kidneys and often extended into my limbs. I thought that treating the kidneys would be the best method to get relief and as Doan's Kidney Pills were highly recommended, I obtained a supply. The pains began to lessen soon after I commenced the use of this remedy and I procured a second box. I had only started its use when the last trace of the trouble disappeared and I gladly say that I have been free from it since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

The following from the Brownsville Times sounds good:

A Brownsville fruit grower informs The Times that he will begin at once to put his orchard in shape to produce apples to enter in competition at the Albany apple fair next fall. This is the proper way to develop the apple industry. The main object in conducting the fair is to stimulate the growing and proper development of the apple industry in this section, and bring it up to the highest standard.
