**2 1/2 TIMES AS MUCH LIGHT FOR THE SAME MONEY**

**Tungsten Lamps Make Electric Light Much Cheaper**

They have two and a half times the efficiency of the ordinary carbon lamp hitherto in general use. The filament is made of a rare metal called Tungsten, which yields an intense brilliancy at low cost. In shape and size the bulb is just like any other electric incandescent lamp. Why not try a Tungsten lamp yourself? Get one of the 40-watts and use it somewhere in your house in place of one of your carbon lamps. Then observe the great difference. Note the clear white light, exactly twice as brilliant and costing you one-fifth less for electricity. Tungsten lamps are destined to displace all others, for both store and house lighting.

**WOULDN'T IT BE AWFUL**

If your plumbing should be out of order these winter days, suppose you have no look over it now. There may be some little thing wrong that would break out on the great feast of the year, and spoil all your pleasure. An ounce of prevention is better than a pound of cure. Have us do a little preventive plumbing.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

## MISFITS.

The boys make the men.

Cannon has begun firing back.

The boy does well who starts well.

November has made a new record anyway.

A simple life will generally be found with a big soul.

Stand for everything that will make the city better.

Some boys are almost men, and some men almost boys.

Will there be two floods this winter. It is all guess work.

The Christian who has to be labeled is principally one in name.

Some people just hunt rough places, and are nearly always cross.

People who think they know the most about weather signs generally know the least.

The man who helps even a lame dog does more than some people who boast of their love for their fellow men.

**Lord's Day or Sabbath Observance.**

Resolved, that we deplore the present laxity of the observance of the day on the part of many of our citizens, and believing it to be detrimental to the highest interests of all, and especially harmful to the young, we urge,

First, that every church member in Albany adhere closely to the teaching of Scripture, by abstaining from all unnecessary labor and business, and from all those forms of popular amusements which are out of harmony with the sacredness of the day; and

Second, that we hereby cordially invite all other citizens who are interested in the moral welfare of our city to co-operate with us in making the day one of rest and divine worship, thus strengthening character instead of undermining it.

## Catholic Fair.

The Catholic Fair will open on Tuesday at the Armory and will close on the evening of the 3rd. A chicken dinner will be served at 5 o'clock Tuesday and choice refreshments during the evening.

A fine program of music and song will be rendered, in which the best talent of the town will take part. Rev. George Thompson will make the opening address. Proceeds of fair go to Sisters' School.

## Scio.

The News says: The damage to the dam, which was washed out, can be repaired as soon as the water subsides. The deposits in the Scio State Bank are over \$92,000, loans and discounts \$16,007.82.

Scio has wretched mail facilities. Last Saturday J. A. Bilyeu completed the sale of 80 acres of land, just east of town. The purchase price was \$40 per acre. Chas. Wesley was the purchaser and turned in his residence property on Main street as part pay.

Frank Holub was arrested by Game Warden May last week, for killing a deer out of season. Justice Jas. A. Bilyeu assessed a fine of \$50 for the offense. The fine was paid and now all is serene.
