2 1/2 TIMES AS MUCH LIGHT FOR THE SAME MONEY

Tungsten Lamps Make Electric Light Much Cheaper

They have two and a half times the efficiency of the ordinary carbon lamp hitherto in general use. The filament is made of a rare metal called Tungsten, which yields an intense brilliancy at low cost. In shape and size the bulb is just like any other electric incandescent lamp. Why not try a Tungsten lamp yourself? Get one of the 40-watts and use it somewhere in your house in place of one of your carbon lamps. Then observe the great difference. Note the clear white light, exactly twice as brilliant and costing you one-fifth less for electricity. Tungsten lamps are destined to displace all others, for both store and house lighting.

WOMEN'S WOES. ALBANY WOMEN ARE FINDING RELIEF AT LAST.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains, and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. M. Custer, of 138 W. Ninth St., Albany, Ore., says: "I have had no occasion to use Doan's Kidney Pills for nearly three years and think that fact alone is proof of their value. At the time I procured this remedy at Foshay & Mason's drug store I was suffering from an acute attack of kidney complaint, the result of a cold that had settled in my kidneys. I was so weak and lame that I could scarcely move from one place to another and the kidney secretions were too frequent. I used Doan's Kidney Pills until cured, and in March, 1903, I told of my experience in our local papers. Now that the cure has proved permanent I am firmly convinced of the value of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

MARRIED

Hulbert-Bullis

In Corvallis on Wednesday, December 15, 1909, at the home of the bride's grandparents, Troy H. Hulbert, of Shedd, and Miss Mattie M. Bullis, of Tangent, two prominent young people of the western part of Linn county. The ceremony was performed at high noon in the presence of about 50 guests.

To the strains of a wedding march played by Miss Flossie Thompson, Mr. Hulbert and Miss Bullis entered the beautifully decorated parlor, took the bride couple stood beneath a beautiful red, white and blue marriage bell, while Elder Clark performed an impressive wedding ceremony.

A splendid wedding dinner was served by Mrs. Bullis and the officiating minister then presented Mr. and Mrs. Hulbert with the splendid wedding gifts. Among the many beautiful presents were a fine bedroom set given by Mr. and Mrs. S. A. Bullis, parents of the bride; a set of silverware, the groom's parents, Mr. and Mrs. Frank Hulbert; a pretty and serviceable set of dishes, by the grand parents and uncles and aunts; and a gold-banded water set, by Jarvis Bullis, brother of the bride.

The young people start in life with every prospect for happiness and success and with the best wishes of many relatives and friends.

A fine line of fruits, vegetables, fish, canned goods, etc., always on hand at the Metropolitan Market, Broadalbin street. Only the best is kept.
