Skated.

The ice was in pretty good shape, and the sport has been enjoyed by a good many during the day at the duck preserve.

Judge Wolverton's Decision.

According to a decision of Judge Wolverton the enforcement of the local option law is entirely under the control of the state, and not of the cities, and it is the business of the state instead of the city to enforce the law. This may be true, but it is also true that a city may make a thing a nuisance if it pleases.

The plumbers are getting busy. Mr. and Mrs. Frank O'Brien were in Roseburg yesterday.

Prof. Head, the piano dealer left today on a West Side trip.

J. C. Donovan left this morning for San Francisco to spend the holidays at home.

Carolyn Cannon, arrived this noon from Portland, for a holiday visit in Albany.

Prof. Aldermann, and wife of Eugene, returned today from a McMinnville trip.

Mrs. Mary F. Rhoades left this noon for Dilly on a visit with D. W. Myers and family.

E. P. Frost, whom the boys call Jack, of Portland, has been in the city today, hence the cold weather.

Will of Wenzle Bolish, with 135 words filed. Property left to brothers and sisters, except John who gets nothing.

A daughter born to Mr. and Mrs. F. M. Powell, yesterday lived only about six hours, dying during the afternoon.

Mrs. Belle Bodine McQuown and husband arrived this noon from Baker City, for a visit among the Bodines. They left a foot of snow.

One hobo today refused to work on the street, and he was taken to the jail for ten days and a bread and water diet. No more foolishness.

One would think there was about to be a war on the Siletz between the homesteaders and squatters, but it is mostly in the Portland papers.

It is reported that a new schedule will soon begin on the Springfield road, the trains arriving about 10 a. m., and leaving later in the afternoon.

Prof. Head, next the Democrat office, has just received a new Winthrop piano, which will be sold for \$225, at \$5 a month, a fine instrument on easy terms. See it.

The inventory in the estate of the late S. L. Kline shows that he left real property valued at \$36,600, merchandise \$29,019.31, and personal property, making a total of \$73,515.12.

The city of Dallas has just made a new contract for lights in any number for the streets at \$6, incandescent \$1.50, a month. There are 22 arc lights now in use there.

Dr. Brougher, of the Baptist church, Portland, has again been called to the pastorate of the Bob Burdette church, Los Angeles, and the Oregonian says will accept.

The scalp collection at the court house yesterday was enlarged by that of a wolf and cougar presented by John Roberts and a grey wolf by J. H. Hamilton. A good many wolves are reported in the mountains.

Miss Genevieve Irvine arrived this week in Sidney, Florida, and will make her home this winter with her aunt, Mrs. Chas. H. Cusick. She is a daughter of the late C. H. Irvine, a young lady of about fifteen. Her mother, now Mrs. Young, resides at Sidney.

Mrs. J. T. Shea and son Edward, of the Willamette Valley Valley Co., left this morning for San Francisco to spend the holidays. Mrs. Shea will remain about two weeks and "Ed" will go to Arizona not expecting to return to Albany until spring.

C. M. Giddings, of this city on Tuesday at Corvallis bought up 136 delinquent tax certificates, paying \$1,760.65. The tax payer will have three years in which to pay, at 15 per cent and the penalty. If not then Mr. Giddings will get hold of some valuable Benton county holdings.

An electric light was ordered at 8th and Madison streets.

Report of election of J. D. Creel as chief and assistant chief engineer, was read. Certificate of election as chief engineer was ordered issued.

Matter of paving estimates on Ferry, Broadaloin and Ellsworth streets was continued.

Councilmen Miller and Curl were appointed a committee on city extension, after favorable remarks by Councilman Miller and the Mayor, within reasonable limits, those recommended by the Commercial Club being characterized as ridiculous.

Further investigation was ordered of the matter of a sewer in block 29 H's ad.

Councilman Miller presented the matter of a new water supply, suggested at a recent meeting of the Commercial Club, the idea being to unite in the securing of a pipe line from the Breitenbush. It was stated that the time will come when the Santiam will not be safe and adequate.

The Mayor spoke of the hobo nuisance, filling the jail with the fellows, favoring making them sweep the streets. The superintendent of streets was ordered to put them to work hereafter, under guard, if necessary, make it hot for them, and Albany a terror for tramps.

S. C. Worrell complained that four nuisances, near his home, ordered abated had been attended to only in one case. The city attorney was directed to give notice and proceed legally if necessary.

FIRE AT CRABTREE.

W. J. Turnidge, the Crabtree merchant, met with a serious loss this forenoon. His warehouse, containing two car loads, about 1400 bushels, of potatoes and 1500 pounds of giant powder, was completely burned. He had a warm fire going to keep the potatoes from freezing, and the building caught from the stove in some way. A strange thing about it was that the giant powder burned without exploding. The loss is \$700 and \$800 on the potatoes, about \$200 on the giant powder, and \$500 on the building, \$1400 in all. No insurance at all was carried.

Hansard Again.

Eugene Register: G. B. Hansard and his son, G. E. Hansard of Springfield, were arrested yesterday on complaint of selling liquor contrary to the local option law. They appeared before Justice R. S. Bryson and each gave \$300 cash bonds for his appearance on the 27th and 28th respectively for their hearings.

Hansard, a former Lebanon man, is probably the star blind pig performer in the valley.

WOMEN'S WOES. ALBANY WOMEN ARE FINDING RELIEF AT LAST.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. M. Custer, of 138 W. Ninth St., Albany, Ore., says: "I have had no occasion to use Doan's Kidney Pills for nearly three years and think that fact alone is proof of their value. At the time I procured this remedy at Poshay & Mason's drug store I was suffering from an acute attack of kidney complaint, the result of a cold that had settled in my kidneys. I was so weak and lame that I could scarcely move from one place to another and the kidney secretions were too frequent. I used Doan's Kidney Pills until cured, and in March, 1903, I told of my experience in our local paper. Now that the cure has proved permanent I am firmly convinced of the value of Doan's Kidney Pills."

WALLA WALLA HAS \$135,000 FIRE STARTED BY AN OIL STOVE.

WALLA WALLA, Wash., Dec. 3.—Goods valued at \$135,000 went up in smoke at the Motter-Wheeler department store this morning just as the clerks were arriving to open up a large "expansion sale." The fire quickly gutted the building, except one bank of shelves, and water completed the damage. Tonight 40 employes are out of work. While the fire department was suppressing the flames a number of the clerks stood amid the wreckage weeping. The insurance on the stock is estimated at \$82,000 and messages have been sent for agents to come and adjust the loss. Tomorrow morning men will separate the damaged goods.

"I have been here 27 years," said Manager W. P. Hooper, "and this is my first fire. I have seen many fires but this is the worst I have ever saw. One thing that has been gratifying is the kindness of my competitors."

The fire started from an oil stove in the "ad" department in a balcony over the main floor, and successive explosions of gas are given as the cause of the spread.
