

BIG PIANO BARGAINS.

EILERS PIANO HOUSE TO CLOSE OUT AT ONCE ENTIRE STOCK OF HIGHEST GRADE PIANOS AT TERRIFIC REDUCTIONS.

Commencing tomorrow morning, promptly at 8 o'clock, the greatest sale of high-grade Pianos that has ever been witnessed in this country will start. We're going to close out our Albany Store. The superb stock of high grade Pianos now on hand, will be disposed of at prices which have never before been made anywhere. Hereafter, we will confine ourselves strictly to wholesaling in this locality. Just now, we are in an awful fix. Our new six-story Wholesale Warehouse and Factory which was to have been completed January first, has been delayed by the incessant rains. Our heating plant is still tied up in the railroad strikes. On top of that, our Christmas stock of Pianos, also delayed in the strikes, now comes rolling into Portland. These Christmas Pianos together with the immense shipments which have also arrived for our new Warehouse, has placed us in a most uncomfortable position. We can't unload the cars and the railroads are clamoring to have this done at once. Rather than go to the expense of boxing and shipping the fine stock of Pianos now in our Albany store to Portland, then pay storage on them for an indefinite period, it has been decided to close them all out here regardless of the sacrifice. If we get cost or near it, we will be satisfied. Profit is out of all question now. If you have any earthly use for a Piano, -if you intend buying an instrument, within the next year or two, we say in all sincerity, here is your chance. Buying now when prices are as low as they will be in this closing out sale tomorrow morning, is a positive duty. In the past we have presented many money saving opportunities to the public, but never before have circumstances over which we have had absolutely no control, necessitated such drastic reductions. The burning question is, to find homes for these Pianos at once. Tomorrow morning you will find in this Closing Out Sale strictly warranted Pianos - well known New York makes - for as low as from \$80.00 to \$160.00 (second-hand); brand new, \$244.00, \$216.00 and as low as \$198.00. We ask you particularly to see the superb \$400.00, \$450.00 and \$475.00 values, which go now at \$275.00, \$295.00 and \$307.00. The fanciest \$500 and \$575.00 Pianos now go at \$348.00 and \$397.00. Here, you will find such old famous makes as the Kimball, Lester, Starr, Hobart M. Cable, Whitney, Baus and even the glorious Chickering, the most costly Piano made. Bear in mind, that we guarantee quality and we guarantee price. "Money back" if not exactly as represented in every particular, protects your purchase in every way. While these critically reduced prices should be for spot cash, in order to dispose of these Pianos in the shortest possible time, terms can be arranged. In fact, in our anxiety to do business quickly, we will accept a small amount down and the balance at such easy monthly payments as \$12, \$10, \$8. Yes, -even, \$6 on some styles monthly. We mean business. There is not a moment to lose. Be on hand the first thing tomorrow morning and secure best choice.

EILERS PIANO HOUSE.

HARRISBURG.

(Composed by Manager Struble and sung by Albany boosters.)
Tune your voices lively boys, we'll sing a booster song.
Sing it with a spirit that will move the town along;
Sing a song of Harrisburg, and sing it good and strong -
Albany boosts for Linn County.

Chorus -
Hurrah! Hurrah! for Harrisburg we're in!
Hurrah! Hurrah! for every town in Linn;
We'll get our heads together and together we will win -
Albany boosts for Linn County.

Let the sons of Linn rejoice, for wealth unfold they own;
Wealth of timber, fields of fruits, and wealth of mines and stone,
They'll be as rich a bunch as any in the temperate zone -
Albany boosts for Linn County.

POOR TRAIN SERVICE

Between Albany and Brownville.

The train service on the Springfield road is execrable, so far as Brownville is concerned, one mixed train at an untimely time.
Ed. Holloway, Wayne Stanard, W. J. Hooker, F. M. Brown, Jos. Hume and H. E. Hilleary, of the Brownville Commercial Club, this forenoon conferred with the Albany Club, and the two Clubs will make a decided and persistent effort to have the service improved. The old schedule in time is wanted, and a motor car, making regular trips for passengers.
Brownville now has a population of approximately 1800, its freight business has doubled in a year, a fine center, with Crawfordsvill, Holley and Sweet Home tributary. Many have to go across to Halsey for decent train time. The Southern Pacific should do the right thing, and right away, giving a service that will be needed just the same after the Springfield-Woodburn road is used clear through.

This is the first Orchard Company in Linn county, to plant and care for an orchard.
Many things the Commercial Club have done, or caused to be done for the advancement of Albany and Linn county, but nothing have they ever done or suggested will bring Linn county to the front and place it where it ought to stand in the eyes of the home seeker more than the organization of this Company.

They have options on, and deeds for some 3400 acres of ground in the neighborhood of Lacombe, being one of the best orchard sections of Linn county, having been selected by Prof. Lake of the Oregon Agricultural College, and there is no question as to the adaptability of its soil and climate. And the people of Albany look forward to a great future of Linn county, as an orchard county which will be demonstrated by this Company.

In this reorganization of the Company there is connected with it some of the strongest business firms of the city, and we look forward to a great success of the Linnhaven Company.

Hanford's Coming.

F. Lawrence Walker, advance agent and manager of Chas. B. Hanford, for eminent Shakespearean actor, for eighteen years, has been in the city today, making arrangements for the appearance of Hanford at Albany in the Taming of the Shrew, on Wednesday evening, February 16. A boyhood friend of the Democrat man, this paper may be excused if it takes more than ordinary interest in the visit of Mr. and Mrs. Hanford to Albany this year, making their second appearance here. Hanford will be in Ashland the 13th, Eugene the 14th, Corvallis the 15th, and then Albany, going from here to Salem, where he is particularly popular. Albany will undoubtedly again give him a packed house. Save the date in the interest of high-class drama for Hanford.
