The Progressive Roks.

The Rok Club last night held a progressive party immensely enjoyed by the members and their young gentlemen friends, a fine crowd of young people, full of life. They started at Miss Monteith's, then walked to Miss Simon's, came back to the Misses Taylor, and then went around to Miss Robert's and ended up at the home of Miss Bain, by that time having a five course repast of soup, salad, sandwiches, cake, sherbet, etc.

The party was given in honor of Mr. Gale Sanders, son of the late Superintendent Sanders, who will leave this week for Seattle to make his home.

A FIRE AT THE HOLT CORNER.

About 7 o'clock last night the rear of the Holt meat market was discovered on fire, and an alarm was turned in by Floyd Churchill, who was passing. The fire department did prompt work and the flames were soon extinguished, after doing a good deal of damage, mostly to the contents, for the building is of little value.

The fire was so well handled that it was not necessary to take out any of the goods in the adjoining frame.

How it started is not known, as there had been no fire in the stoves in the rear during the day, but it was probably from a switch, near which were some old receipts.

\$200 or \$300 will repair the building, which was not insured. The machinery was damaged considerably, some of the goods were gotten out, and what were not were thoroughly soaked. \$3000 was carried on the freezing plant and other machinery and on the goods in the two departments.
