Proposed City Hall

Experimental plans have been drawn by Architect Burggraf for a city hall. It shows a two-story building 67 by 102. The lower floor will consist of the fire engine room, for two engines, hook and ladder truck and hose carts, 54 by 57; the jail, 24 by 35; the chief of police's office, in front of the jail, 13 by 19; recorders's office 17 by 22; closets, etc.

On the second floor will be the council chambers, 30 by 42; public library room, 18 by 28; fire department room, 20 by 40; rooms for surveyor, engines, committees, etc. The arrangement is good.
