"FOLEY'S KIDNEY PILLS HAVE CURED ME."

The above is a quotation from a letter written by H. M. Winkler, Evansville, Ind. "I contracted a severe case of kidney trouble. My back gave out and pained me. I seemed to have lost all strength and ambition; was bothered with dizzy spells, my head would swim and specks float before my eyes. I took Foley's Kidney Pills regularly and am now perfectly well and feel like a new man. Foley's Kidney Pills have cured me." Woodworth Drug Co.

ALL-ALBANY.

The Democrat has been asked to give an All-Twilight League team, which it does as below: It is selected considering the batting ability of the men as much as the fielding ability necessary in securing a good team. The ability to run bases must also be considered, both in fastness and judgment.

D. Patterson, Postal-Banker team, c; W. Patterson, Postal Bankers and Geo. Dooley, Pie Eaters, pitchers; Ingstrom, Pie Eaters, first; Eugene Dooley, Merchants, second; Baker, the S. P., third; C. Bigbee, Methodists, ss.; A. Coates, Merchants, lf.; Vierck, Pie Eaters, cf.; Hi Torbet, Postal-Banker, rf.; M. Bigbee third, is good. Bert Stevens is good at first, a good batter and also base runner, but Ingstrom is considered a point or two ahead of him. Kennedy deserves a place on the team. Young Smith of the Methodists has splendid material. Prof. Marquam stands among the best as a batter. Walter Birchet is good anywhere he is put, perhaps better than some mentioned. Erb Schultz is a splendid left fielder, probably the best in the league, but falls in batting. Kennard, ss of the college, is also deserving mention. And there are others, for instance Jeard, pitcher for the S. P., a cool, reliable player, who with strong backing would do splendid work.

The Interurban.

The survey of the Albany Interurban has now been completed to Sweet Home by way of Lebanon and back by way of Brownsville, making a fine circuit. The rights of way have been practically provided for by W. E. Pears. The Company is now negotiating for the sale of bonds for actual work. The road will mean a good deal to Albany if built.

Zambos Arrived.

David John Henry Allen Zambos Swackhammer, Jr., of Hayti, West Indies is here. Swackhammer claims to have traveled 358,026 miles during 27 years 4 months and 15 days. He got past Salem all right, but wait till he arrives at Philomath. Swackhammer sings English with fearless recklessness, an odd character in the great world of curiosities.

Seasonable Things.
