THIS MORNING MEETING OF COM. CLUB

News From Albany's Six Early Trains.

President W. J. Kerr and Hon. J. K. Weatherford, president of the board of regents of the O. A. C. returned from Medford, where they made arrangements to put in a branch experiment station, looking over the field with that in view. The development around Medford has been wonderful, particularly along fruit lines, and the city has bounded forward in keeping with it.

W. J. Clarke, of Gervais, better known as Billy Clarke, left down the road after a night in Albany. He is the assembly candidate for state printer, which will be quite an elephant to carry in his fight for the nomination against W. S. Dunniway. Mr. Clarke has been at the head of the A. O. U. W., and postmaster at Gervais, in the newspaper business for about thirty years.

Mr. Will Reiner, of Portland, left for home after a visit with his mother, Mrs. Wagner, who has not been well. He is building a residence up in the popular new Ladd addition, which is considerable of a coup for a former devil in the Democrat office; but he deserves his prosperity.

Mrs. J. B. Cogle returned from Lebanon accompanied by her daughter Mrs. N. M. Newport. Mrs. Cogle has fully recovered from her recent illness.

Mrs. J. F. Venner and daughter and Miss Gerty Star, of Brownsville, went to the Bay.

Miss Emma B. Oroano, the popular singer at the Empire, went to Portland and perhaps will take a trip to Hood River before returning.

Bert Warford went to Salem.

Ed. C. Roberts, fruit expert, left on a Corvallis trip.

Wallace R. Struble left on a trip to Oregon City.

To Candidates.

Candidates for County officers must file their petitions to have their names placed on the primary ballot with the County clerk on or before September 9th. Those desiring blank petitions can secure the same by calling upon T. J. Stites, the Secretary of the County Central Committee.

Present.—President E. H. McCune, Secretary, J. S. Van Winkle; Treasurer William Eain; W. H. Davis, Dr. M. H. Ellis, A. M. Hammer, L. E. Hamilton, J. C. Holbrook, J. R. Hulbert, E. A. Johnson, W. H. Marvin, M. Senders, C. H. Stewart, Manager W. R. Struble.

The following communications were read:
From Hon. Theodore Roosevelt expressing regret at not being able to accept our invitation to visit Oregon; and from his secretary, Stuart Hill, thanking the Albany Commercial Club for its invitation.

From A. G. Prill, President of the Scio Fair Association, asking the Club to make an exhibit at their fair. On motion it was ordered that display be made, if possible.

From R. R. McKinney, indicating in warmest terms his enthusiasm for the proposed "Know-our-own-county" trip into the Upper Calapooia Valley, and assuring Albany that it shall be expected to "feed" at Holley.

Letter from the American Mining Congress of Denver, asking that the Club appoint two delegates for the 13th Annual Convention to be held Sept. 26-30th next, at Los Angeles, Cal.

Letter from National Irrigation Congress, asking Albany to appoint a delegate to attend the 18th annual session to be held in Pueblo, Sept. 26-30th next. \$319.95 collected since last report.

C. H. Stewart reported a fine exhibit of grains, grasses and fruits sent in, and filed bill of expenses for collecting Great Northern exhibit in sum of \$3.25, and \$20 for services allowed.

Mr. Ste-art reported organization for the Annual Apple Fair. Also that Prize exhibits from the Albany Apple Fair will be taken to Portland. Ratified.

It was ordered that a committee be appointed to raise \$300 for the Linn county exhibit at the Spokane App's Show, the same to go to Chicago. J. M. Hawkins, C. W. Tebault, J. J. Collins were appointed.

It was ordered that the Club offer a prize of \$50 for a Linn county exhibit to be shown at the Portland Apple Show.

Manager Struble reported several monthly subscription contracts signed with considerable further new business in sight.

Mr. Coates, representing Rand-McCally Co., appeared before the board, soliciting a contract for a map advertising at \$75 for full page on 50,000 copies in four equal payments of \$18.80, each six months for two years, rejected for the reason that the life of the board is but for only about nine months more.

The Manager was directed to correspond with the Chapman Advertising Agency, with view to getting prices on newspaper advertising in Middle West papers.

Mr. Marvin moved that Postmaster Merrick, of Portland, be invited to be present at our next monthly Get-

Together meeting, and address it. Mr. Hulbert suggested that something be done to stimulate a milk condenser. Dr. Ellis moved that the Manager correspond with Mr. Smith in relation to securing sufficient support for a condenser here.

It was ordered that Albany get into communication with Judge Lovett, with a view to securing him for a visit to Albany on his return from Eastern Oregon.

Councilman Marshall and wife returned yesterday from the Collins Hot Springs where they had a pleasant session. It is not our policy to conduct a sale every month in the year, and quote prices that we can't deliver. The public don't expect it. It is a well known fact that for 40 years this store has, always sold at a modest profit, first-class goods that we can guarantee, and at the smallest possible price.

However, during this Semi-Annual Clearance Sale, the above guaranteed merchandise is yours, and our modest profit thrown in.
