

It Pays to Buy Gloves of Dependable Quality

Our glove stock is composed entirely of the best makes.

The initial investment is not the most important thing to consider when buying gloves. The return you receive in satisfactory service is what makes a pair of gloves a good or a poor investment.

The gloves which comprise our stock are of absolutely trustworthy character—the products of reliable manufacturers. They will fit well—look well and wear well. The prices are no higher than what you would pay for poorer quality.

Fowne's gloves, \$1.00 and \$1.50.

THIS MORNING MEETING OF COM. CLUB.

News From Albany's Six Early Trains.

H. T. Wentworth, of Ashland, passed through on a trip to Portland. He formerly resided here. Since going to Ashland less than two years ago he has built six brick blocks and two bungalows and is now at work on a big school house at Gold Hill. He is one of Ashland's best boosters.

B. J. Hecker left for Corvallis. For several months he has been gathering together bands of Cotswold bucks, some of which have already been shipped, in all about four thousand, which will be taken to near Denver, with that city as the headquarters for distribution, and sold. They bring a fine price in the Colorado market.

J. L. Irvine left on a Portland trip. A car load of Chalmers-Detroit cars of 1911 has just been received in Portland and Mr. Irvine will endeavor to secure one of them.

Messrs. Crowell, Weider and Karney, three young surveyors, left for Millers to do some work for a few days.

Miss McChesney left on a Newport outing trip.

S. P. Barger arrived from Brownsville.

H. K. Luger left on a Lebanon trip.

Five Medford school maams passed through for the Bay in their new 15 cent hats.

Mayor A. M. Reeves and family, of Lebanon, went to Newport, for their summer's outing.

Some Old Timers.

At the depot this afternoon, when the 1:45 train arrived from the south there was an old time session of the legislature held, with Joe Purdon, now Western Union and N. P. Express man at Bremerton, as sergeant-at-arms, and Hon. J. Clem, then a populist senator from this county, now a Lane county republican assemblyman, in it. Several live jokes followed.

G. CO. HOME TONIGHT.

The encampment at American Lake closed last night and the soldiers left for home this morning, the Southern Oregon and Willamette Valley boys first. They are due to arrive in Portland at 2 o'clock this afternoon and the Albany boys home on the 7:45 train tonight.

This will probably be the last encampment at American Lake. Speculators having gotten charge of the property have been robbing the government. Besides the water is said to be poor.

The pill test was not a success because not sufficiently carried out, but it is thought it might work.

Reports are that the Albany boys have been well and behaved themselves. The only accident was to Dr. Ed. Stewart, whose horse ran into a barbed wire fence and threw him twenty feet.

When You See It in Our Advertisement You Know It Is True.

It is not our policy to conduct a sale every month in the year, and quote prices that we can't deliver. The public don't expect it. It is a well known fact that for 40 years this store has always sold at a modest profit, first-class goods that we can guarantee, and at the smallest possible price.

However, during this Semi-Annual Clearance Sale, the above guaranteed merchandise is yours, and our modest profit thrown in.

Remember the house of quality, and the store that never disappoints.
