

Many New Styles in Footwear Displayed in our Splendid Showing

The fall season brings with it many new ideas and changes in footwear fashions.

Some of these late thoughts are exhibited in our display. Never have we had so many attractive good looking shoes to show you. We give you excellent value and superior quality. And still a bit further, we call your attention to the fact that our shoes are manufactured for us direct. We do not buy open stock but buy of the most reliable manufacturers. This insures regularity in quality, fit and wear. That's worth something.

We have all sizes and widths. You are sure of a perfect, comfortable and easy fit.

We pay particular attention to shoes for school children. Send them here and we will shoe them to your satisfaction.
