### Albany Made Shingles

A prosperous manufacturing institution, in Albany, one that does business in a quiet way, but keeps shaving away, is the Albany shingle mill, E. A. Thompson, proprietor, which has built up a splendid business by making a superior article and doing business on a square basis. The annual output of the mill is over 4,000,000 shingles, which is approximately 60 bunches of 250 shingles a day. Mr. Thompson reports a fine sale of the product of the mill, and the prospect continues to be good.
