SENATOR MILLER'S WORK.

Following is one of the many commendations Senator M. A. Miller received for his splendid work as a senator regardless of politics:

Independence, March 2, 1909.—Hon. M. A. Miller—My Dear Senator: Now that the smoke of battle has cleared away, I desire to thank you for your splendid support in the senate, on my Lock Bill. The people of Oregon are under obligation to you for your loyal support for an open river. I also desire to thank you for your efforts on behalf of the Indian War Bill. With kindest regards, I am, your friend, B. F. JONES.

Mr. Miller was a strong advocate of the salary bill that saved the state \$35,000 a year. He was a member of the committee on assessment and taxation and helped fight for the corporation tax bill through the legislature, which with the inheritance tax bill brought last year \$222,000, and he did a good work for them. This is the kind of man Linn county needs in the legislature. He is no experimenter.

Bowerman isn't fooling any one with his professions of friendship for the primary law. In fact it is making it worse for him. Elected on the assembly ticket he represents assemblyism and the old caucus methods, and the public sees through his game.

L. E. Bean, the assembly nominee for joint senator has been in the city. It is said Mr. Bingham will run against him as an independent, making an interesting race, for the anti-assembly sentiment is strong in this district.

NOW IS THE TIME TO SPRAY.

We have the genuine lime and sulphur solution. See us and get prices before placing your orders.

NEW AND SERVICEABLE RUGS AND DRAPERIES

This excellent department has been a very busy place this fall.

The many new and pleasing designs we are showing in Rugs and the high quality that we offer at the price has helped to make it busy.

And the large assortment. Even now on our great rug rack are found 120 beautiful rugs in every grade and kind and all sizes are shown from the smallest to 11 ft. 3 in. by 15 ft. We want you to see this excellent showing before you buy. We want you to come and tell us of your rooms and let us aid you in making it most attractive. It need not be expensive to be wonderfully artistic.

We make a close study of these things and we are quite sure that we can please you.

Colonial Drapery Fabrics.

We believe to be the best fabrics shown for the money. Those beautiful serims with stenciled effects in the soft colorings of green, browns, tan, blue, and red will give just the bright touch that you desire and that is needed to every room.

Best of all, the colors are fast, not only to water, for all are thoroughly washed before leaving the mill, but most of them are fast to sunlight.

And all these good things are found in these materials at only, per yard, 25c and 30c.

SHOES—having style, comfort and durability

Another department equally attractive to all women is our Stylish, up-to-date Shoe Department. Every new and good last, every new approved leather, every new cut and finish we show in footwear.

We keep in constant touch with the style centers for shoes and consequently we always show the latest models first.

This season the button shoe has become wonderfully popular and we have never seen as many distinctive and beautiful style effects as have been produced this season.

You may have a shoe suited exactly to your foot in the style that you like best and in practically any leather.

Our stock of sizes is complete, there being all sizes and all widths, with the great variety of lasts makes it quite easy for your shoe to be not only stylish but comfortable as well.

For Children—

we have a stock almost as large as for women.

We pay particular and careful attention to the needs of children and can guarantee them comfort, style and service.

And we will always give them just as careful attention as we do to grown ups.

No matter whether mother is along or not you may rest assured that they shall have every attention given them to make everything perfectly satisfactory.

Send them to us often. Shoes for every use at reasonable prices.
