Bowerman is the candidate of the assembly crowd for governor. He is the great representative of the assembly idea. Anti assembly republicans by the scores in all parts of the state are uniting to defeat Bowerman by voting for West, a democrat, an anti assemblyman. NORTH ALBANY AFTER \$200,000 MEETING OF

For Albany College.

President Atkrocks, of the College this week will attend the synod of the Presbyterialian church at Pendleton, and will then go east to begin his campaign for \$200,000 for Albany College, \$100,000 for an endowment, \$75,000 for new buildings and \$25,000 for a trustees fund.

The present situation demands something strenuous if the college is going to keep on its feet. It is said there is encouragement for some valuable gifts. It is to be hoped so.

If the money is secured the plan is to erect a science hall, costing \$45,000 and an administration building costing \$30,000, and there will be other needs.

The college needs money now. A steam heating plant has been put in cost \$1,485, it is in debt \$10,300 and interest, it needs cement walks on Ellsworth, Ferry and Ninth street costing \$2,000. Ninth street should be paved, costing \$3,000, \$3,600 can be spent improving the campus, \$500 on walks in campus, some on furniture, etc., making a trustees fund of \$25,000 needed, according to the bulletin just issued, from which this information is secured.

If the Presbyterian church is to continue to father the college, it is time it woke up and did something, instead of putting away as it has in the past, and Albany, needs to do something, and it always has done well.

It ought to be born in mind that the great fight at the coming election is or the question of assembly and anti-assembly—whether the primary law shall stand or whether the old convention shall be brought back into use. Bowerman is the candidate of the assembly crowd for governor. He is the great representative of the assembly idea. Anti assembly republicans by the scores in all parts of the state are uniting to defeat Bowerman by voting for West, a democrat, an anti assemblyman. All democrats should register at once so they may help to elect West and thus defeat the great assembly leader.

C. L. Shaw's Acceptance.
