## Opening Corset Exposition

WE are now exhibiting the season's newest corset designs. Our corset department contains one of the largest, most distinctive and artistic assortments of new and desirable corsets ever offered the fashionable women of this vicinity.

You will be particularly enthusiastic with the new *Henderson Corsets* that we are now showing. Considering the very moderate prices at which we are offering these models, the *Henderson* is the best corset value we have ever shown.

The fashions this season still require the slender figure effect but the waistline is again normal. Hips and back are slightly curved and bust is rounded and natural. *Henderson Corsets* are designed to produce just this effect.

Our line contains models for every proportion and size of figure—stout, medium, slender, tall, average and small. A cordial invitation is extended to all visitors to examine our splendid corset displays and become familiar with the new styles.

You'll see just how your figure should be shaped if you get the illustrated corset booklet we are giving away upon request

## MISFTS.

This model saloon license law proposed in dry counties if they will go wet in order to have more saloons for the wholesalers and breweries is the greatest fakery of the age, just a game for votes, under this Home Rule Association, running the saloon campaign.

The Lebanon Criterion accuses the Democrat of swallowing everything democratic. Well the Criterion swallows every thing that is assembly republican, whiskey and all. Look in the glass. As a matter of fact the Democrat is supporting a good many republicans. We have four or five on the county ticket, and several on the state ticket. As between Bingham and Bean it will be Bingham. Whatever his temperance record he stands as well on that question as Bean and is anti-assembly.

## CHAUTAQUA TALENT

J. S. Van Winkle returned last night from Portland, where, besides attending the postmaster's convention he met with seven other representatives of Chautauquas and partially arranged for talent with two representatives of lyceum bureaus, agreeing upon July 8-18 as the dates, and Gov. Hanley of Indiana for the first Sunday, Gabriel R. McGuire, the Irish orator for the second Sunday, the Apollo Club, DeWitt Miller, lecturer, William Sterling Battis, Dicken's interpreter, the Williams Jubilee singers, and the celebrated Sadlers, great entertainers, at Oregon City this year.

The other Chautauquas reported and their dates were: Gladstone and La Grande July 4-14, July 6-18, Seaside July 11-23, Pacific Grove beginning July 10 and Seaside, about the same time.
