THE TRUTH AT LAST

After a hot campaign for Bowerman the Portland Telegram tells the kind of truth the Democrat told right along in the following remarkable language:

A 300 MILE MACADAM ROAD

The Oregon Highway Association is to be organized to build a road across the state from north to south...

THE PEOPLE ARE RULING

San Francisco voted on 39 amendments, seven more than Oregon, and the voters have all survived...

Some one says the only living exponent now is a dead one. That is to be seen. He is dead about the way Bryan is dead.

Alabama is certainly coming to the front. Oregonians think they have most of the big things in the world...

Deputy district attorney Benbow, of Portland, says the new home rule law is unconstitutional...

The attorney of the liquor dealers, at Portland, says that the new home rule law will not affect dry counties...

Pendleton will again have saloons after January 1. How many think that will be a recommendation to the city?

The average number of divorces of ten states for ten years in 100,000 inhabitants was 136...

Back east the papers called it a Waterloo. It was a good deal of a one for a fact.

Remarkable Coincidence

McMinnville Reporter:- Avery Hinshaw, of McMinnville, and Mrs. Charlotte E. Sargeant, of Portland, were married Nov. 3...

CASTORIA

Bears the Signature of Chas. H. Hitchcock

This is a world of these same divorces played by and lost. After coming out fairly in support of the divorce laws...

Some more divorces were granted this week. The same old story. Grisscross tempers can rarely match. People who want their own ways in every thing...

There was considerable interest this week over a discussion about a foot ball trouble that occurred between U. O. and O. A. C. and an immense elephant has been constructed out of something about which there is great uncertainty...

Down in Portland an effort is being made to rid the legal profession of the parasites and mercenaries in it. Nearly every town has them, but decidedly in the minority...

A Thanksgiving Game

Albany will have a big Thanksgiving foot ball game and the team will be Albany high, who beat Eugene, and Salem high, who beat Eugene...

The B. B. A. A.

The ladies of the B. B. A. A. club were pleasantly entertained Thursday afternoon by Mrs. A. Austin. The new books were received and discussed.

Card of Thanks

Mr. H. T. James desires to express his heartfelt thanks for many acts of kindness and sympathy during the illness and after the death of his son, Manly.

Columbia and Albany

The foot ball situation has again changed. Instead of playing Salem on Thanksgiving day, the game has been called off and Albany will play Columbia at this city on Saturday, Nov. 26.

DON'T BE BLUE HUSTLE

The Kramer Lecture Was a Good One

Harold Morton Kramer, a gentleman from Indiana, last night lectured in the college course on "Here or Nowhere" not Hell or Nowhere, as a Ganby newspaper set it up.

National progress is the result of individual industry and habits. Thinking and industry are the foundation of prosperity.

Every opportunity must be taken advantage of. Too many people are always looking for scapegoats.

Faith and science go together. The world has no use for a quitter. Man may hunger but it takes backbone to achieve.

Heredity is a powerful thing, but any man can pull out of the current. Heredity is not the whole thing, and there is always hope for the man who thinks.

A man must control himself and not barter possibilities for temporary ease. Too many try to get a ride without buying a ticket.

A real estate man had this sign: "Don't Get Blue-Hustle." Napoleon was a stupendous failure, and his death at Waterloo was a victory for truth.

Washington lost more battles than he won but he was a great success. Patient labor always lies behind achievement.

The successful man cannot ride on the back of others. The world is waiting for men to come up from the crowd out of the overalls.

God does not base prosperity on iniquity and the saloon does not help business. Those who did not hear the clean address will do well to take notice and think.

The next address will be by Dr. Foulkes on the Passion Play, with stereopticon views, on Dec. 6, Dec. 20, the Ferry Co., Feb. 3 the Opera Coctet, Feb. 17 Gilbert A. Eldridge and later another.

People watch the papers to see where to go. Now for the tariff. The war will be terrific. The turkey show will be a big one this year. Foot ball has become a parlor game beside aviation.
