West's Plurality.

West's plurality is 6148, not far from the 7,000 the Democrat suggessted. Jackson gave the most, then Multnomah, Murion. Cleckarass and Linn.

For Rowerman Columbia county lead with 273, with Morrow county next with 284. Washington gave 229 and a few other counties very small pluralities. With a party registration of 20,000 to 80,000 the result is one of the most remarkable in American polities. Verily both the assembly and Bowerman were whacked.
