It has been discovered that American hustle is causing a great deal of insanity. It is wracking the nerves of men to pieces. Better slow up a little.

People always have and always will have different ways of amusing themselves; but it is always well to make the amusement clean. There is plenty of it.

Merchants report the best holiday trade in the history of Albany. People have come from near and far to get their Christmas goods, due to the enterprise of our merchants.

"All work and no play makes Jack a dull boy," is an old saying that applies just as much to Jack when he gets older and becomes a man. But he always does well to be temperate.
