MISFITS.

Happy New Year.

It has been a year of progress.

Ring out the old, ring in the new.

Have you helped anyone beside yourself.

Is your character any better than a year ago.

A good year for Albany; but 1911 looks better.

A resolution based on sentiment is not apt to last.

Will the Oregon Electric shake hands with Albany in 1911.

More weddings in Linn county during 1910 than ever before.

Some people estimate life entirely on what a man has in goods.

Good bye, 1910, somewhat fast and mighty, but after all great.

Don't wait until the first of a new year to do what you ought to do all the time.

A new post office building, new city hall, new school house, new Carnegie library, in 1911.

Five or six telephone girls were married within about a month. A pleasant voice over a wire has its attraction.

Mrs. Dunnaway has filed a petition for re-submitting the woman suffrage question to the voters of Oregon. Oregon will never have woman suffrage in Oregon so long as Mrs. Dunnaway engineers the campaign.

FRAMED PICTURE.—For less than cost. We have a few framed pictures left over we are closing out for less than cost. "When you see it in our add you know it is so."

—EFFORT IN 1911—

To our customers and the public we wish prosperity and happiness during 1911 and for many years to come. If we have succeeded in promoting your comfort; adding to your convenience, helping in your prosperity, be sure we will be glad of it.

For ourselves we hope to win success in our particular business in exchange for the kind of effort that deserves success.

Perhaps you never reflected that a public utility company that is anxious to increase its business must try hard to please its customers.

The more energetically a company works for new business, the more painstaking must be the effort to render good service.

It is human to fall short of the goal set by ambition; it is disheartening to fail occasionally when we want to please most. In the long run, however, conscientious effort wins its own reward.

We can assure you that we shall do our best to earn your good opinion in the year 1911
