

JOYFUL NEWS OF SPRING

The Winter's cloudy days are quickly passing. Spring will soon pounce upon us with all its joys. The bright blue sky, the warm sunshine, flowers bursting into bloom bringing their fragrant perfumes to fill the whole country with their sweetness. One's thoughts quickly turn to the wearing apparel that will keep you in tune with the bright surroundings. Although all the Spring Suits have not yet arrived, many are here for your early inspection. The jackets are shorter, twenty-five and twenty-seven being very popular lengths. The skirts are in either plain or pleated effects. Not so extreme as last season. Blues and grays are expected to have a big run, while many of the other shades are also shown. The Misses' Smith have just returned from San Francisco with all the new ideas in Spring Millinery. The new tailored and street hats are on display inviting your early inspection. The small Turban effects in the tailored hats are the most popular and the street hats still cling to the larger sailor shapes. You will enjoy a look through this department. We will take great pleasure in showing you.

Base Ball.

There will be base ball the coming season in generous doses. The Colts are preparing to organize, with most of the old players, forming one of the best amateur teams in the valley. The popular Sunset League will also be organized, with most of the old clubs, and probably a more compact arrangement. The high school will have a good one, and there will be small affairs galore, some of which are ahead, in the field.

Albany and Newberg.

Newberg will play a return game with Albany high next Friday night, the game of the season. Albany was defeated by Newberg early in the season 29 to 25. Afterwards Newberg defeated McMinnville, which also beat Albany. Since those games Albany has won a long line of victories without a defeat from a high school team, an experience that should count in this game. Admission 25 cents.
