sult with the U. S. land office in re-
ference to claims they took up at Quar-

the Northwest is expected to write to
some friend in the East and Middle
West, asking them to come to Oregon,
Washington or Idaho during the period
of low rates westward which will be in
effect from March 10 to April 10.
The special effort on March 1 has
been organized by the publicity depart-
ment of the Harriman lines in the
Northwest and from the Portland head-
quarters will go out a great number of
folders specially issued for "Colonist
Day." These folders are to be en-
closed in the letters written to Eastern
friends. They will tell of the advan-
tages of the living in the West and
urge those addressed to make a change.

The Military Ball.

ball of the Military Club, at the armory

Schemers in the Toile

Jeff Stanley and A. Terre were to be
examined today at Corvallis for raising
a check from \$5 to \$50. The check was
secured by Terre, from Peter Mineff at
the Farmers Hotel; but Mineff had only
\$70 in the bank, and this excited sus-
picion and an investigation, resulting in
the arrest of the men. Mrs. Terre
joined them at Corvallis yesterday, go-
ing over from Albany, where she had
been stopping at the California Rooming
house with her husband. Stanley is a
former inmate of San Quentin, and Mrs.
Terre claims that her husband is a vic-
tim of his schemes. It is quite prob-
able, though, that both men will have
to go up for it. It is said an effort was
made in this city to cash a bogus \$250
check, by the men.
Stanley is said to have a long black
record, among other things saving his
way from a jail at Santa Cruz, Calif.
At Portland, Nov. 28, he is said to have
robbed a house, and was released Jan-
uary 12 on parole.

**Railroad to Spend Fortune to
People Empire of the West.**

By Gerret Fort.
This million and a quarter dollars,
which will be expended by the U. P.
and S. P. systems during the present
year, will be charged to advertising in
the books, but the purpose for which
this huge sum is to be used is peopling
the Empire of the West—the filling up
of the fertile lands of Colorado, Wyom-
ing, Utah, Oregon, California, Idaho,
Washington, Nevada and Montana.
Work of this kind is building for the
future. It is the latest and greatest
development of the science of railroa-
ding—it is the creating of traffic both
passenger and freight.

A Washington Party.

The Philathea class of the Baptist
church spent a delightful evening at the
home of Mrs. Fred Dawson, last night.
The elaborate costumes of the colonial
dames rivaled those of the belles of '76
themselves. Among the amusements
was writing a sixteen line poem con-
cerning George Washington, from which
a great deal of fun was derived. Ap-
propriate refreshments were served
and after several admirably
rendered instrumental duets by the
Misses Anna and Janet Dawson, the
party broke up a late hour, every one
having a most enjoyable evening.

Miss Crawford's Orchard.

W. A. Bodine last night returned
from Lebanon, where he has been
running the walnut and peach orchard
of Miss Helen Crawford, at Bon-
adon. Miss Crawford has 25 acres of
Franquet walnuts, with peaches as
fillers. All doing well, with pro-
spects of making one of the finest orchards in
the valley.
Mr. Bodine saved the grafts, and is
prepared to use them. They work into
black walnut trees in an effective man-
ner as well as any kind of English wa-
nuts.

The Weather.

Range of temperature 52 31. There
was a heavy frost this morning.
The river has fallen and is 4.5 ft.
Prediction: fair tonight and Friday.

MARRIED.

Townes—Miller.—On Wednesday
evening, at 6 o'clock, at the home of
the bride's mother, Mrs. Mart Miller,
at Knox's Butte, Mr. Harold Townes
and Miss Theodosia Miller were united
in marriage, Rev. Esson performing
the ceremony, with the ring service.
It was under a beautiful bower of Ore-
gon grape with a floral bell. Raymond
Townes was best man, Miss Lina Mc-
Guire bride's maid, and Miss Lina
Gruet performed the wedding march.
A splendid wedding dinner followed,
with Mrs. Tom Riley, of Corvallis, as
master of ceremonies.
Forty-four were present, including
Mr. and Mrs. F. M. French and Dr.
and Mrs. A. J. Hodges, of Albany.
Among others was Ernest, a brother of
the bride, an invalid, who has not
stirred a muscle, except in eating, for
many years.
Both are young people of excellent
character, the groom a bookkeeper, a
graduate of the commercial department
of the college, and the bride the last
single daughter of a large family.
They left for Portland on their
bridal trip, will return to Albany and
then go to their home opposite Astoria,
where Mr. Townes has a position.
Bates—Mickel.—At the Catholic
church, Wednesday, Feb. 22, by Father
Lane, Mr. Ira Bates and Miss Mae
Mickel were united in marriage in the
presence of a few friends. The groom
is an efficient and popular S. P. em-
ployee, and the bride the accomplished
sister of Agent Mickel. They are
thought to have gone to Portland on
their bridal trip.
Ruiter—Campbell.—Another of Rose-
burg's charming young ladies was car-
ried off a blushing bride yesterday
afternoon when Miss Ada, oldest
daughter of Mr. and Mrs. J. H. Camp-
bell, was united in marriage to Mr. G.
W. Ruiter, a young railroad man of
Albany. The wedding occurred at 3
o'clock at the Campbell home on Fow-
ler street, in the presence of a few
relatives and special friends of the
young couple, Rev. W. H. Eaton, of
the Baptist church, officiating.
Both of these young people are highly
esteemed, and good wishes for their
future happiness are legion. They will
go to Albany to live, expecting soon,
however, to secure a change whereby
they will make Roseburg their home.—
Review.
Mr. and Mrs. Ruiter came to Albany
and last evening at the home of the
groom's father, Henry Ruiter, were
given a reception with a fine wedding
dinner.

Salem Statesman—President John
F. Stevens of the Oregon Electric, as
well as head of all the Hill railroads in
Oregon, accompanied by G. M. Mc-
Dowell, right of way agent, for the
same interests, spent yesterday in
Salem, going over matters relating to
the route to be followed by the exten-
sion of the Oregon Electric south from
this city.
Both officials stated that they had
nothing at this time that could be made
public as to which survey the Oregon
Electric would follow on its way to
Albany. Several surveys have been
made.
Their presence here at this time is
taken to indicate that an early start
will be made by the road in the con-
struction of the extension.

afternoon.

time Linn county man, arrived this

Wheeler, and her many friends have
been taking advantage of it today to
make a shower of postcards, keeping
the carriers busy.

team last night defeated the Aetna
team, champions of Northern California.

withstanding the fact that a couple of
outside experts were played.

the immigration advertising bill carry-
ing \$25,000 when pledges were made by
the Oregon Development League that
none of the money shall be used but be
turned into the general fund of the
state.

remain.

land, passed through the city yesterday
on their way home from a visit with

Albany, a nephew of Hon. W. R. Bil-
yeu.

erans will be held in the room of the
Vets at the armory tonight, for dedica-
tion and other services. Capt. Phillips,

members and visiting members are re-
quested to be present.
Frank W. Mondell, of Wyoming,

retorted proceeded in the attempt to
whip Mondell, but was at once stopped
by the other members.

Grace Cook, recently of Wynot, Neb.,

former schoolmate and sweetheart of
the groom back in Nebraska, coming
out here for the marriage.

cated at Lebanon next Sunday. The
return will go out at 7.30 a. m. Sun-
day, returning at 5, and a number of Albany
people will attend the event. The
speakers will be President Homer of
illamette, Rev. J. T. Abbett, Hon.
R. A. Booth who will preside at the
afternoon session, and Postmaster J. S.
Van Winkle of this city.

held today in the interest of a joint
Linn and Marion county bridge across
the river three miles from Shelburn.

land, were to be the speakers.

Jonathans, Yellow Newtons, Grimes
Golden and Ganos, selected by W. K.
Newell and H. C. Atwell, president of
the state horticultural society. There
will be eleven rows in each district of
ten acres, two of all but Ganos, one of
that apple about fifty trees to the
acre. This will be the beginning of
what promises to be one of the finest
orchards on the coast.
