# PUT ON THE NEW

WHAT A COMFORTABLE FEELING IT IS TO "CAST OFF THE OLD" AND "PUT ON THE NEW"! THIS IS ESPECIALLY SO IN THE SPRINGTIME, WHEN BRIGHT, GLAD SOME COLORS INVITE US TO PUT ASIDE THE SOMBRE WINTER SHADES. OUR STORE IS FULL OF CHEERFUL SPRING CLOTHES—CLOTHES IT WILL MAKE YOU HAPPY TO WEAR. WE INVITE YOU TO COME AND SEE THEM, REMEMBER, OUR REPUTATION WAS NOT MADE IN A MOMENT, BUT THAT IT IS THE RESULT OF TREATING OUR PATRONS RIGHT EVER SINCE WE HAVE BEEN IN BUSINESS,

## Misses' New Spring Suits & Shoes

### THEY ARE READY

Coat Suits as never before. The coats are short—full of chic and snap—the skirts are plain or pleated. You've never seen charminger materials—soft mixtures, herringbone stripes, serges, shepherd checks and light grounds showered with silky boucle yarns. We can't go into the styles. Some defy description because they are so plain and simple; others because they are enhanced with touches of novelty that words can't properly photograph. Every Suit is the materialized dream of an artist. Rare, beautiful.

### WE WARN YOU NOT TO WAIT!

If you would avoid foot troubles in hot weather you must buy those new shoes while it's cool, because it is almost impossible to fit feet properly when they are swollen and perspiring from the heat. Even if you don't want to wear low shoes now buy them anyway—you'll be better satisfied because you will have shoes that fit you, and you'll have them ready to wear the very first warm day we have. Surely you must see that it is to your advantage to do this—come in and look over those beautiful new models we recently received.

### MUST GET READY FOR THE NEW COMERS.

In a few days there will be a rush of new comers from the east, many coming out here to reside. Some will come to Albany. In fact correspondence indicates a good many. The railroads are assembling all the equipment in the east to be secured to bring people to the Northwest, both the Hill and Harriman lines making special efforts to meet the demand for cars. When they come to Albany what are we going to do with them. People who come very properly will wish to look around a few weeks before investing, and that is the proper way. They will have to have houses in which to reside, at least rooms. A large number of furnished and unfurnished rooms will be wanted. Our people should put themselves out to meet the demand. All who have rooms that can be spared should telephone the commercial club, which will keep a list in the interest of inquirers. This is an important matter, and our people should come to the rescue. Albany must be equal to the occasion if it will keep on growing as its advantages and situation are bound to make it improve.
