**THURSDAY.**  
**THE DEVIL IN DRAMAS.**

Another good sized audience faced Dr. Riley, at the army last night, this time from the east. The platform was changed from the side to the end, saving a good many twists of the neck to reach the audience.  
Some good music, with a duet by Prof. and Mrs. Guthrie, opened the evening's program.  
Dr. Riley spoke very plainly on the subject of the devil in the modern drama, backing up his statements with many experiences of people active in the world. He declared most actors and actresses immoral people, dissolute and sensual, living bad lives off the stage, and that the influence of the average play is never for good, the exceptions being few.  
This afternoon he spoke on the Smallest Gift of the Spirit, and tonight his theme will be The Devil in the Modern Dance. Whether you dance or not go and hear his view of the important subject, presented without sensation.  
The hours for the meetings at the army are 3:30 and 7:30 p. m. There will be no change in this time at any time during the meetings.

**The Musical Kindergarten.**  
Miss Houck's class in Musical Kindergarten, of Albany College Conservatory of Music, will give a program marking the close of the second term's work in the studio at Tremont Hall at Three o'clock Friday. Important features of the entertainment will be some regular class drill work, a patriotic drill, and a short musical sketch entitled "The Waking of the Flowers." This program will be of great interest to parents of young children, revealing to them, as it will, the excellent opportunity that Albany College offers for primary musical training. All persons interested are invited. The Musical Kindergarten will take up the work of the third term on Monday morning. It will be a good time for new members to enter the class.

**Letter List.**

**More Fine Birds.**  
Jas. A. Hoag will return in the morning with a fine lot of prize birds, secured at Petaluma, White Wyandottes, Black Minorcas and Banded Plymouth Rocks. They will be exhibited in the show window of W. F. Pfeiffer, Friday, Saturday and Sunday.

Geo. Prichard, of Portland, has been in the city.  
The weather prediction is fair tonight and Friday.  
Oregon's penitentiary is full and running over.  
Miss Watson, of Portland, is visiting at P. A. Young's.  
L. H. Fish and son Henry, left this noon for Norton.

Don Neverall and family are here from Cuba, Ill., with a view of locating.  
Tom Richardson will leave next Monday for Baltimore to boost for that city at a big salary.

Harry Curran has returned from Salem, and has accepted a position in Conrad Meyer's bakery.

That's a big ad. of the Blain Clothing Co. on the 4th page. They have a big stock back of it, and some fine show windows to show the goods.  
E. H. McCune has just received from Boston a blooded bull pup that will set the style among the dogs of the town. He is a dandy. Coming from Boston why not call him Beans.  
Col. W. D. M. Mercer went to Corvallis to lecture tonight on Abraham Lincoln. He is a Eugene man, Mrs. Hallie Parrish Hinges will sing, and President Kerr will do the introducing.  
At Salem yesterday Homer Davenport began suit for divorce against his wife. He alleges cruel and inhuman treatment. They have three children who are receiving \$100 a week for their support, which he is willing to continue to pay.  
District Attorney D. V. Kuykendall, a former U. O. athlete, has a record. At Klamath Falls he secured the conviction of thirteen out of fifteen men up for crimes, that unlucky number being sent to the penitentiary. That is evidently a tough country. It takes a good many years for Linn to send thirteen men to the pen.

**THE DEVIL IN THE DANCE.**  
There was a fine audience last night at the army. The opening exercises were full of interest, Prof. Guthrie conducting a vigorous song service. Rev. Eason read the scripture and Rev. Geil offered prayer. The special music was a song by the United Presbyterian choir quartet.  
Dr. Riley spoke on the devil in the modern dance. At John 2:17, "Love not the world, neither the things in the world."  
This is not a sensational subject, but a practical Christian topic.  
The card table, dance and theater are all in opposition to the doctrines of Jesus Christ.  
All people are not bad who approve the modern dance.  
The arguments are not good ones, that of producing grace. A good bird dog is graceful. Physical exercise is all right. If graceful movement is all you want let the men and women dance with their sex. Otherwise it is sensual. It is claimed it is in social favor. The Bible teaches temperance in all good things, and total abstinence in evil things. Social favor indicates nothing. It is dangerous to the body, injurious to the mind, destructive to the soul.  
The modern dance was born in a low dive in Southern Europe, it went to Paris, and thence into the society of the world. Anything that stimulates passion is injurious to the body, and the exercise is excessive.  
The dance is not conducive to intellectuality and the soul is absolutely in jeopardy. Human nature is the same in the parlor as it is in the public dance hall. Three-fourths of the fallen women of the big cities got their start in dance halls.  
The charm of life is not in these things, but in doing the will of God.  
This afternoon Dr. Riley spoke on The Second Coming of Christ, one of great interest to christian people, and tonight his subject will be The Devil in the Easy Divorce.
