## MISFITS.

The Jingoists don't fool people much more.

Pretty good weather for Albany's first style show.

The Devil must be making an issue of Mexico these days.

Divorces are too easy for a fact. Even in Oregon almost any old excuse goes.

We have Americans so all-fired ornery they would be willing to have a war for the financial profit.

Russia may declare war on China, without any reason for it either. It is the same old hog game that started the nation against Japan. It is to be hoped the same result comes, and perhaps will, for China is learning a trick or two. The dragon is waking up.

Harrisburg Bulletin: On the train the other day a good old german farmer who had just bought a hundred dollar per acre farm near Tangent, gave us as his reason for coming to this valley, "Ve haf but vonce to lift." It was plain that he had grown tired of the wintry blasts of South Dakota from which place he had come.

A little cash will handle one of the best "BUYS" of the season in Central Addition. Strictly a resident district. Ask Collins & Taylor about them.

## DOINGS OF THE WORLD

Lawyer J. A. Carson and wife, of Salem, were in the city this noon.

Five firemen were killed in a fire in Milwaukee yesterday.

Fred W. Walker, known as Mysterious Mitchell is to coach the O.A.C. team this year.

Medford is going to try some kind of a model saloon law; but it will be the same old drunkard making saloon just the same.

Ex Governor Jos W. Folk is in Oregon. He says in Missouri they use the referendum as a club. Here we have to have an occasional tragedy.

Eugene Register:—Rev. F. H. Gesebracht, pastor of the First Presbyterian church of Albany, spoke to the University Y. M. C. A. last evening and his address is reported to have been a masterful one.

# Society Brand Clothes

## Clothing Style Show

For young men who want snap and dash in their clothes, and yet refined and becoming styles, we offer America's standard of fashions, Society Brand, L System, Adler's of Rochester, Stein Blochs and others.

The reason we do not confine our line to one particular brand, is that we may be able to "fit you better," and our forty-five years of experience have made us capable of judging fabrics.

Hats of all shades to correspond with the new shades in suits, shirts also, shoes too, socks besides. Underwear to match. None so nice as ours, and they may be yours for a moderate price.

We desire your inspection of our new Tans and Blues.
