# A Hint to the Wise is Sufficient

There are circumstances that arise that make it advisable for merchants to dispose of their stocks at greatly reduced prices. A given time to close out a stock means that prices must be put so low that it will move regardless of former cost. People who are anxious to take advantage of such savings will hold off their buying a short time and profit by closing out prices. Watch this space for later announcements. You will be interested in what we will have to say.

## THIS MORNING

News from Albany's Six Early Trains.

Father Lane left on a short Portland trip. He reports a new church to be built at Mill City, a small chapel, where services will be held, making about eight churches, under the direction of the Albany church as the center.

W. E. Yates left for Crawfordsville to look after his small farm of 300 acres. The coming 11th county farm will be about half of that, though the average is now about 250 acres. The average of the New England farm is about 85 acres.

Miss Myra Montgomery, of Sheridan, left for home after a visit with Albany friends, of whom she has a good many. She reported her father getting quite fleshy under the bracing influence of foot hill climate.

Dr. Wallace returned from Junction, where he had been to see a patient.

Prof. Wilson made his regular Wednesday trip to Brownsville.

Dr. Lewaux left on her regular trip to Corvallis.

Dr. Hill, Albany's oldest physician and Gale S. Hill went to Salem on a short business trip.

Miss Lettie Pratt went to Portland to attend the meeting of the N. P. missionary board.

Mrs. J. A. McFeron, of Portland, returned home after a Brownsville visit with relatives, being accompanied to Albany by her sister.

Sam Goldsmith, who has been coming to Albany fifteen or twenty years, left for points north.

Rev. Lacey, of Lebanon, returned home after a Portland trip. He reported the city all base ball yesterday, and during the afternoon it was almost impossible to find any one so much was the base ball fever rampant.

Remember the social afternoon with the Civic Improvement Club at the home of Mrs. John Simpson 730 Washington St. tomorrow afternoon. Shall we not show our appreciation of these ladies by filling the beautiful rooms of Mrs. Simpson. The club is offering in these afternoons a social and intellectual treat, a feast of good things in exchange for your offering to beautify our own city.

## P-B'S WON.

The second game of the Twilight League tournament was played last night between the Postal Bankers and the High School team, and was won by the former by the close score of 2 to 1, taking nine innings to decide it, one of the best games ever played in the league contest. Playing was begun after a tedious wait in the cold, that is going to keep our people away. A time should be set for beginning and lived up to, whatever it is.

Dooley pitched two or three innings for the Postal-Bankers and Patterson the rest of the game, and Lyle Bigbee for the high school. Only one hit was made by each club, speaking for the battery work. Archibald caught for the high school notwithstanding a very sore finger that made a few errors excusable.

Gus Abraham, of the Bankers, caused a sensation by knocking the ball over the fence, but it was a foul on a slow pitch as a teaser.

Carson Bigbee led in base stealing. Ryalls at first is playing a crack game for the high school boys. If two or three of the high school boys will get the wheels out of their head when they bat the club will develop into the strongest high school team in the valley.

The high school made 6 hits and 4 errors. Carson Bigbee made 3 of the hits, Noland 2 and Lyle Bigbee the other. Carson Bigbee also made 3 outs, and 2 assists without an error. For the P-B's Dave and Bill Patterson each made a hit, all that were made. Only 2 errors were made.

The next game will be played tomorrow night between the Merchants and the S. P. These games are worth seeing, splendid amateur base ball.
