BEAT EUGENE,

The Albany high school basket ball team defeated Eugene high last night at Eugene 23 to 21, in one of the hardest games ever played by an Albany team.

It was an uphill game from the start, Eugene leading, at one time 20 to 13, without much time left; but Albany, in the spirit of the progress of the city, kept pegging away and sawing wood, until the score was tied at 21 to 21, when the whistle blew. The tie was played off. Like a streak the ball was played to the Albany basket, and in less than a minute Beeson threw a basket with one hand, over his head.

Brooks of the U. O. was referee, entirely impartial and satisfactory. The trip was an enjoyable one.
