THE WORLD

More blizzards have struck the east. Lebanon is to have a states reunion next Wednesday.

A Brockton, Mass., girl has become famous by really proposing, and being accepted.

Dr. Wiley, of the U. S. pure food commission, resigned yesterday, tired of so much contention.

Harry G. McCain, of Willamette, a Brownsville man, won first place in the intercollegiate contest at McMinnville last night.

Lebanon this week had two notable long-time wedding anniversaries: Mr. and Mrs. I. A. Davis 55 years and Mr. and Mrs. William Millsap 58 years. They are old residents of the city highly respected.

The trip of the Washington U. basketball team to this valley was disastrous. Beaten twice by O.A.C. they tackled U. O., and met a like fate the scores being 17 to 14 and 17 to 13.

Grant Pirtle, of this city, this week sold a block of land at Brownsville to Fred Gustavson, recently of Trinidad, Colo. Another sale at Brownsville was 23 acres by Mrs. Ella McHargue, now of Portland, to T. A. Powell.

The loan sharks of New York have been knocked out good and hard. The practice has been to secure loans for others charging exorbitant fees. The supreme court yesterday declared this to be illegal.

John K. Latourette, of Portland, a former prominent U. O. student and foot ball player, has announced his candidacy for the legislature. He signs statement number one and is opposed to extravagant appropriations.

Geo. Humphreys, the man who killed Elizabeth Griffith at Philomath, was taken to Corvallis yesterday and placed in jail, preparatory to trial, which will be in April. Mrs. Griffith was undoubtedly killed by the rope being tied too tight around her neck.

The Portland Railway and Light Co. yesterday authorized a bond issue of \$75,000,000, of which \$18,000,000 will be used to take up other bonds, \$15,000,000 to retire bonds of the O. W. P. Co., and \$41,000,000 will be used for extensions and betterments, figures that speak for the bigness of the corporation.

Stopped a Riot.

The Emerald—"Squee" Ramp, '08, a socialist agitator, formerly a prominent Varsity student, nearly quelled a riot at a recent meeting in Portland, where a socialist crowd took exception to some remarks made by Gen. Baden-Powell, concerning the Boy Scout movement.

The crowd which had constantly interrupted the speaker, became riotous at the close of the meeting, when "Squee" endeavored to control the I. W. W.'s and his fellow Socialists, but he was only partially successful.

DREAMLAND

VAUDEVILLE TONIGHT.

1. Pathe Weekly.—Current events, moving pictures, that have happened the world over.

2. The Little Stowaway.—A tale of the slums, the sea and a rich man's home. A fine story.

3. A Princess of the Hills.—A romance of early California, a very pretty film by the Kalem Co. photographed amid California's beautiful scenery.

4. The Hawaiian Duo.—Vaudeville.

5. Where the Money Went.—A fine Vitagraph comedy. A wise young man makes his wife happy by investing it in a house and giving her the deed. The funny part of it is she thought he had spent it on another woman.

6. Cahler & Wadsworth.—Music. Comed next Monday, Tuesday and Wednesday.—A sensational act, "The Human Dynamo."

Admission 10 cents.

FOR DISTRICT ATTORNEY.

W. S. Risley, of this city, yesterday filed notice of his candidacy for district attorney of this district, on the democratic ticket, with the following:

"If I am nominated and elected I will during my term of office, to the best of my ability, enforce the Criminal Laws, without fear or favor, and to the end that exact justice may be given to all as nearly as can be under the criminal laws of this state, and will not be influenced from this course by any persons, corporations, factions or interests whatever.

Place after my name on the nominating ballot the following: "A careful, economical and impartial administration of the office of District Attorney."

More Land Surveyed.

The land office at Portland announces that the following described lands have been surveyed, viz:

The SE 1/4 of Section 21; S 1/2 of Section 22; S 1/2 and NW 1/4 of Section 23; all of Section 27; E 1/2 of Section 28; N 1/2 and SE 1/4 of Section 34; N 1/2 and SW 1/4 of Section 35, all in township 10 South range 4 East Willamette Meridian, Oregon.

The approved plat of survey will be filed in the Portland land office at 9 o'clock a. m. on April 23rd, 1912, and on and after such date all persons claiming any of said lands will be permitted to file their applications for the same.

All of said lands were included within the Cascade Range Forest Reserve by President's Proclamations dated January 23rd and March 2, 1907.

Hit Hard.

Pendleton, Or., March 15.—Breaking all records for a single tax payment in Umatilla county the O. W. R. & N. company Wednesday deposited with Sheriff S. D. Taylor two checks aggregating \$111,714.22, which sum is \$348.34 less than the amount levied against the company's property in this county, allowing discount. The assessed valuation of O. W. R. & N. company's property in this county is more than \$14,200,000, or more than one-eighth the valuation of all its property in the state. It is figured on the basis of \$64,000 a mile on its main line and \$40,000 on its branch lines.

OBSERVED

By the Man About Town.

The new window of the Albany Floral Co., gives Albany a metropolitan aspect of a striking character. As a work of art it is not beaten anywhere. The store was opened today in the new First National Bank building, a credit to the city.

The new Elite, next door will be open this week. A peep behind the scenes shows some very pretty windows.

A candy window at a drug store is a feature of First street business today. Everybody keeps candy, more or less.

Albany has a new popcorn wagon, another big one, at the Revere corner, making three for the city. Pop corn is a very healthy food, so pitch in.

More rails arrived by steamer for Copenhagen, and were taken out on wagons.

A U. O. Straw Vote.

The U. O. had a straw vote on numerous things, as follows: Roosevelt 169, Taft 116, Wilson 109, Harmon 3, Bryan 27, LaFollett 31, Clark 7, Dobs 10, Barzoo 3.

Woman's suffrage 257 for, 226 against. Judicial recall 170 for, 271 no. Single tax 127 for, 312 against.

The Weather.

Range of temperature 47-36. The rainfall for 24 hours was 1.01 inch, for 48 hours 1.68 inches. The river has been rising and is 6.7 feet. Prediction: showers tonight and Sunday.
