#### WILSON LOOKS GOOD.

Senator Chamberlain: "I believe that Wilson is the only man in our party who can carry republican states in the West and in the Middle West. In my opinion Woodrow Wilson is the man who ought to be nominated by the party as the strongest exponent, not only of Democratic principles, but of present-day thought; and I do hope that Oregon will select a delegation with Woodrow Wilson as first choice."

Governor West: "I am for Wilson for president. I think he is at this time our strongest candidate. He has a head full of progressive ideas and he knows how to carry them to the people."

#### SPRAY FOR CODLIN MOTH.

Get ready to spray for codlin moth, and use the following: Take two pounds of arsenate of lead, place in one-half gallon of water and stir until thoroughly dissolved, then add to this forty-eight gallons of water, then add, after stirring, 1 1/2 gallons of lime and sulphur solution for scab. Use this mixture when at least 90 percent or 95 per cent of the petals have fallen, and do thorough work, covering all the blooms. If this is well done and all the fruit thoroughly sprayed again in about two weeks with the same formula, this will control the codlin moth, also the apple scab.
