THE DDS. WON.

The team of the North Pacific Dental College defeated the Albany Athletics yesterday afternoon 4 to 3 in a close and exciting game, that should have been won by Albany. Albany led in hits, 8, with 7 by the dentists. The former were credited with only 2 errors and the latter one.

For Albany Monson, Geo. Dooley and Lee each made 2 hits, Baker 1, Mickel 1. Dooley at first caught out 10 and Swan behind the batter 9. The two errors were made by Swan and Lee. Patterson struck out 7 Portland men, and Douglas 5 Albany men.

There was a large crowd present on the new grounds, well located, with a good diamond.

The game was started by Mayor Gilbert pitching the first ball, caught by Grant Pirtle, which Charlie Thrasher attempted to hit. As the average weight of the men is over 290 this was an amusing feature.

A Thirteen Inning Game.

The base ball team of the Independent Order of Young Men went to Scio yesterday on Fred Westbrook's truck, defeating the Scio team 8 to 1 in a thirteen inning game, of a very sensational order.

The score was 0 to 0 until the fifth inning when each club scored 1, and it remained that way until the thirteenth, when Albany had a fire-works, scoring 7 and Scio did nothing.

Condit pitched a fine game for Scio, but gave out in the 10th and Powell was substituted, then Miller. Jack Berry pitched six-inning ball for Albany, striking out 14 men in ten innings, well caught by Dave Patterson. Singleton was at 1st, Eaton 2nd, Engstrom 3rd, Kennard ss, Clark, McCully and Holt fielders.

For Scio Kelina caught, Munson played 1st, Gooch 2nd, Powell and Condit ss, Arnold, Bennett and Woodman fielders.

There were two umpires Fred Westbrook of Albany and McDonald of Scio.

Don't wear glasses before you have had it proven to your entire satisfaction that your troubles will be removed by their use. At the present day too many glasses are sold for simply what is made out of them, without any regard to the eyes. What you need is a thoroughly sound, honest, straightforward opinion, supported by the necessary skill, experience, qualification and reputation. Dr. Lowe will explain fully, frankly and plainly why your eyes need glasses and give you every proof of the benefits you will get from their use. His education in the best schools, with 20 years experience, makes him a safe man for you to consult. Consult him in Albany at Hotel Revere, Friday and to noon only Saturday, May 3 and 4.

AN ALBANY BOY WHO HAS MADE GOOD.

Chas. A. Sears, of Seattle, was in the city Saturday and Sunday on a short visit with his parents, Mr. and Mrs. C. W. Sears. He returned to Seattle, and in a few days will go to Keokuk, Iowa, to take charge of the biggest power plant in the world, now under construction, one to have 300,000 horse power, created by a dam in the Mississippi, and costing \$14,000,000. Mr. Sears recently completed the big plant at Sumner, costing \$3,000,000, with 100,000 H. P., previously for a number of years being superintendent of the large Electron plant furnishing power for Seattle, Tacoma and other Sound cities.

In his line he is at the top in the U. S., a development from putting carbons into arc lights and wiring around Albany. His success is appreciated by his many friends here. The Stone Webster Engineering Co., with whom he is associated, is one of the largest power plant owners in the country.

News from Albany's Six Early Trains.

Mr. Royce kept his promise made in boyhood days and officiated as best man, with Miss Lillian Gilkey, of Eugene, as bridesmaid. A fine wedding dinner took place at the hotel, and the happy couple left for Vancouver, B. C., on their bridal trip.

Both are fine young people deserving happiness and prosperity. The groom started in business carrying the Democrat, and is now a leading salesman for the Bridal Veil Lumber Co., of which the bride's father is one of the proprietors.

Albany in the Oregonian.

The Sunday Oregonian devotes a page to Albany, covering its development well and speaking for its present rapid growth. Some good illustrations are shown: First street, the court house, high school, Mayor Gilbert, Elk's temple, Cosick and Wallace residences, State Bank building, store S. E. Young & Son, armory, First Savings Bank building, St. Francis Hotel, Masonic temple and Baptist church. It makes an attractive showing.

END OF THE EX. A GREAT SUCCESS.

The Made in Linn exposition closed Saturday evening with the armory packed. It was an immense success, attracting general attention, universally favorable. It was really an eye-opener to Albany people as well as visitors, not familiar with what we have right at home.

During the evening there were a couple of auctions, the bread in the Johnson's Best contest, and the splendid display of cakes and breads at the Beam Fletcher booth were sold for the benefit of the library, bringing \$17.25.

H. A. Nelson set up the soda pop freely, showing Albany people that we have the best drink in the world right at home.

The Smith-Cameron Mill gave away a souvenir pedestal, gotten by Mrs. J. Huston.

The booth of C. Sears & Son was wide open and many admired the splendid workmanship displayed.

In fact the exposition brought out the fact that Albany is on top as a wood working city.

During the evening there was another short program, this time from the gallery where Mr. Hoeg and President Ackerman of the State Normal school made excellent talks, boosting Oregon made goods and industries.

THE PRIMARIES.

The vote in the state as far as received shows 25,034 for Roosevelt, 19,851 for LaFollette and 17,985 for Taft.

For Senator, Selling leads Bourne by only a small margin, having 29,360, Bourne 25,220, Lowell 6,923, Morton 2,984.

On the democratic side Wilson has a strong lead for president, and Dr. Iano for senator. Hoo. M. A. Miller, though not a candidate, received a very complimentary vote.

Ben Olcott is nominated for secretary of state, and J. D. Mickie for state food commissioner.

A. W. Lafferty was renominated. N. G. Munley is the democratic nominee, and in the interest of his district should be elected.

In this county the only contest on the democratic ticket was for sheriff. With four precincts to hear from, N. Lebon, Fox Volley, Rock Creek and Foster, D. S. Smith has 439, Ed. School 265 and F. H. Pfeiffer 230.

Sufficient returns have not been received to know how the vote is for district attorney on the democratic ticket. W. S. Risley is ahead in Linn county but it will take the official vote in the other counties to settle the matter.

For representative C. L. Shaw and J. M. Philpot are chosen, and it is uncertain whether A. A. Tussing or J. P. Cooley is the third man.

The total republican vote, in contested cases, in this county was:

For president.—LaFollette 450, Roosevelt 849, Taft 629.

Senator.—Bourne 428, Lowell 207, Morton 139, Selling 1067.

A New Business House.

Misses Jones & Canfield, recently of Leverage, Minn., have come to Albany to make their home, though having another city in view when they started for Oregon; but they liked the looks of the Hub and will remain. They have rented the new Rhodes store, next Dreamland, and will soon open a fancy goods, needle work and racket store.

The young ladies are members of prominent families there, Miss Canfield being a daughter of a leading lawyer of Leverage. It is also an interesting fact that she is a former pupil of Mrs. Chas. Bruce, of this city, when a Minnesota school teacher, before taking charge of the popular St. Francis barber.

BUSINESS MEN'S EX. TO CORVALLIS.

There is to be a business men's excursion to Corvallis Friday morning from Portland, and Albany will take part in it by special invitation. The arrangement of the commercial club is for an automobile trip, the party leaving the commercial club corner at near 7:45 a. m. as possible, in order to reach Corvallis in time for the 9 o'clock parade and visit to the O. A. C. All members of the commercial club who will go are requested to give their names to Judge Stewart at the commercial club rooms, also all private automobile owners who expect to make the trip. \$1 will be charged as an expense account for the round trip, to be paid to Geo. Taylor, chairman of the committee in charge. Each auto, if possible, should have an Albany pennant or banner. It is to be hoped forty or fifty autos are in line.

IN THE MAIL.

A circular letter headed Sane Auto Laws. It gives the opinion of a Kansas City judge. It is evidently sent out to meet the movement of the Anti-Noise crowd, whose ears are hurt by the harsh auto signals, necessary as a sudden warning.

From the National Citizen's League for the promotion of a sound banking system. The needs: relief from financial crises, elasticity of banking credit and freedom from dominant financial or political control.
