THE BIG STORE

EVERY DAY THAT GOES BY sees a visitor to our office with a proposition that means a little more profit to use for a little skimping of quality to you. It is amazing how many plausible schemes of this kind there are. **WE HAVE WORKED TOO HARD** to earn a reputation for selling toilet articles that can be depended upon to entertain any such schemes. Our reward lies in your confidence which we consider far better than a little extra profit. Buy here and see.

THIS MORNING.

News from Albany's Six Early Trains.

Chief Engineer Wickarsham, of the O. E., returned to Salem, after being here to look over the deviation work under Mr. Griswold. The work this side of Salem has been held up by the weather a good deal more than by the I. W. W. It will not be difficult to get men in their places as soon as the weather is so the ground will stand the work.

Ed. Schoel, superintendent of the poultry show at the state fair, went to Salem, to look after matters for next fall. The poultry department needs more room, and an effort is being made to secure it, by the enlargement of the building.

Uncle Billy Wright, the pioneer horseradish man and scissoring grinder, arrived with a good supply of hot stuff, ready to help whet the appetites of the people of Albany for two or three days. Just now horseradish is his specialty.

Mr. Hiles and family, eight or ten in all, recently from Wisconsin, left for Mill City, where they expect to settle. Mr. and Mrs. J. S. Coon went up to Mill City for a visit.

Albert Senders, after a visit with his father, M. Senders, left for Portland, being joined at Woodburn by his sister, Vesta, who has been visiting at Rev. Gordon's.

S. N. Stewart, the capitalist, left on a Stayton trip.

Prof. Hargrove, the pianist, returned to Portland.

Capt. C. L. Dick, the Salem fruit commission man, returned to that city.

The Democrat.

Mr. Hornbrook will not assume editorial management of the Democrat on the 1st of May as heretofore announced, but will devote his time during the next week or ten days to installing the press and new printing material which will take the place of the plant now in use. He urges all business men to furnish new copy for their advertisements and have the same set in the new type.

Two Linotypers in the Hub.

Albany now has two linotype machines, both owned by T. L. Alexander, who will have the distinction of setting up two papers, the Democrat and Herald. The machines are being installed in the Democrat building, convenient for the papers, job printers and others. Mr. Alexander has proven a very reliable linotyper, competent and accommodating. Outside papers and printers wanting special work may depend upon Mr. Alexander for square treatment.

Card of Thanks.

We take this means of expressing our sincere thanks to the many friends who so kindly aided in the recovery of the body of our dear little two-year old child last Friday, and for the sympathy so generously shown to us in this severe bereavement.

Mr. and Mrs. A. S. Gorham.

CIRCUIT COURT.

Judge Keiley Held a Short Session

This afternoon Judge Keiley held a short adjourned session of department one of the Circuit Court, with some blind pig cases up.

In the state against Frank Gleason, of Lebanon, a plea of not guilty was changed to guilty, time was waived and the defendant was sentenced to pay fines of \$50, \$100 and \$100, and go to jail for 10 day in each of the last two cases, 20 days in all.

On account of a witness in the three cases of Or. Sgt. Gibson Olson, of the Franklin House, having skipped out, one to Eastern Oregon, the cases were continued to the regular term, June 21.

Or. Sgt. John F. Kukacka and Joe Trnka, of Seio, was also continued.

As a precaution against the inability of any of the grand jury being unable to serve, the court appointed F. M. French, J. A. McCullough and C. R. Kenel reserve jurymen if needed.

The Wolf Is Good.

The Wolf drew a fair sized, but very pleased audience, at the Opera house, last night, though the weather was bad. Everybody was pleased. In fact some declared it about the best thing for a long time, a play of intense interest, splendidly presented. The Company is a good one. It has been decided to repeat it tonight, and those wanting something good should see the Wolf.

Have you had Henry shoe your horse at the Green Front. He knows how.

The H. S. Debate.

An exciting ticket selling contest is on at the High School between the Girls and Boys Athletic Associations. The girls challenged the boys to see who could sell the most tickets for the coming debate Friday night, the losing side to give the other a feed. Both sides are busy scouring the town and school for prospective buyers.

If your glasses are not perfect, I can show you in a few minutes what a difference it makes when you are properly fitted, and how easily I can suit you perfectly. Remember, glasses not fitted perfectly do a great deal of harm to your vision; and, in addition to being a constant source of annoyance and discomfort, instead of an aid to you, are positively injurious to your eyesight.
