WHY YOU SHOULD BE INTERESTED IN THE UNION FURNITURE MFG. CO.

Because it is an Albany institution; owned by Albany people who live right here among you; an institution that 85 per cent of the money is left right here in Albany; only 15 per cent goes to Portland and Eastern points. Did you ever stop to think that this Company draws money from every town in Oregon and California and leaves it right here in Albany; that every merchant and property owner gets this money?

Investigate this opportunity and come in with us and make this the largest furniture factory on the coast. We have taken all the chances in getting this business started. We have spent three years in building up this business and can now offer you a good opportunity for investment.
