England appreciates the significance of Harrison's election and the protection victory in this country. The Tory press expresses satisfaction over the result, while the democratic press is not happy, and the more democratic the paper the less its lap-pinness. It is a curious fact, and one which Irish Americans who voted for Harrison might profitably consider, that Ireland's bitterest enemies in England are glad of Harrison's election, while her truest friends there are sorry for Cleveland's defeat.—Standard.

**SOMETHING NEW.**—Now is the time for mince pies, and the very best is the New England mince meat, a large shipment of which has just been received by Wallace & Thompson. It is put up, wrapped in waxed paper, and enclosed in a paper box with lithographic label and slide cover which keeps the meat from the flies and dust and enables it to be examined at any time and the cover replaced. One package is enough for two large or three small pies, and all it costs is 15 cents a package. Cheaper than any mince meat in the market or any made at home. A rich delicious mince meat, made of the choicest apples, beef suet, raisins, currants, citron, sugar, molasses, boiled cider and pure spices. The result of careful experiments with popular N. E. receipts.

## TELEGRAPHIC NEWS

**Suicided.**  
SPOKANE FALLS, W. T., Dec. 2.—Charles Bruce, aged 25, committed suicide last night. He lived in a small frame building near the residence of J. E. Valentine, with whose family he has boarded the past year. He was at one time employed by the Telephone Company, and recently in the mill of the Spokane Manufacturing and Lumbering Company. A week ago he entered the employ of Dr. Essig taking care of the doctor's office. Bruce frequently remarked to members of Mr. Valentine's family that life was not worth living and that if he had the courage he would commit suicide. He repeated these remarks several times within the past two weeks.

**Judge Deuny.**  
SAN FRANCISCO, Dec. 2.—The China Mail of October 31, which arrived to-day per steamer Caelic from Hongkong says: "We learn from Corea that everything there appears now to be going as Russia desires, although Judge Deuny's essay at political pamphleteering has apparently opened the people's eyes. A correspondent writes to the effect that Li Hung Chang and the high authorities at Peking are greatly incensed and that they have requested or advised the Korean king to dismiss his pamphlet-writing adviser. The general feeling is that Deuny must go, as China is almost gone, as China is almost bound to insist upon carrying her point in this matter. Deuny is said to be issuing a second pamphlet on the situation."

**Preparing for War.**  
LONDON, Dec. 2.—The Daily Telegraph's correspondent at St. Petersburg says to-day: "The war office is actively organizing a plan for defense in the event of war. The government has sanctioned the plan proposed by Gen. Gourka to supply Warsaw with enough provisions for 50,000 people exclusive of the garrison, the remaining 35,000 consisting of Poles or Jews being expelled from the city and left to their own devices in the event of war. With this decision vanishes the Poles last hope of reconciliation."

**Wages Reduced.**  
DAGGETT, Cal., Dec. 2.—The Atlantic & Pacific to-day notified all employees, except the train, yard and motive power service, drawing over \$50 per month would be reduced 10 per cent. dating from November 1. A meeting was held last night by the train dispatchers, agents and operators and to-day notice was given Division Superintendent Beal of the California division that unless wages were restored by 6 P. M., December 2, they would quit work.

**An Insane Man.**  
SALEM, Or., Dec. 2.—Sheriff Harlocker of Coos county arrived here this morning with D. Hart, the "wild man" who created great excitement in the neighborhood of Empire City for two or three weeks before he was captured and committed to the insane asylum.

**FINE STOCK.**—E. L. Power, next door to the DEMOCRAT office, has just received a fine stock of saddles, blankets, whips, etc., and has a first-class stock of hand made harnesses on hand. Call on him for bargains.

Dandruff is probably one of the most difficult diseases of the scalp to cure, but Duntard's Specific never fails to remove it permanently. Soreness after shaving is instantly relieved by its use.

For weak and delicate women nothing builds up the entire system more thoroughly and effectually than Oregon Kidney Tea. It is especially adapted to diseases peculiar to the sex, is pleasant to take and in every instance proves of great value. Oregon Kidney Tea is composed of herbs found in Oregon, is put up in neat tin boxes, and can be prepared fresh by simply steeping in hot water. It contains no mineral substance what ever, is pleasant to take and never fails to cure kidney or urinary troubles.

Highland, Clackamas county, Or., March 20. I have suffered with a disease of the kidneys for 6 or 7 years and for the last two months have been laid up with a pain in my back. A friend sent me a sample of the Oregon Kidney Tea, and having used it one week I can do a good day's work. I have derived more benefit from it than from all the medicines I have ever taken.  
J. Q. NEWELL.

A Pleasing Scent  
Of health and strength renewed and of ease and comfort follows the use of Syrup of Figs, as it acts in harmony with nature to effectually cleanse the system when constive or bilious. For sale in 50c. and \$1 bottles by all leading druggists.

Farmers, if you want the best harness all hand made, go to E. L. Power, next to Democrat office.

**SECURE PRICES. NO TROUBLE TO SHOW GOODS AT DEYOE & ROBSON**

I'm jolly and fat, though I needn't say that; for a glance at my size and a look in my eyes, and you plainly can see there's no flies upon me. I'm a little bit short both of breath and of hair, but from shoulders to knees you can see I'm all there. I smile and I laugh, I joke and I chaff; I refuse to be sad and I never get mad. But you'd never surmise where my happiness lies, so I'll up and confess what you never could guess. A good thing to eat is always a treat, which will make you as sweet as our sugar cured meat, makes you feel so content with the money spent that you're bound to feel glad; and you couldn't get mad though a man just as thin as a rail or a pin was to pull at your nose or tread on your toes. If you're fat or you're lean, if you're pleasant or mean, just give W. & T. a show to sell you right low, you will feel such a thrill of contentment until you'll wish you were fat. For the feeling's slow your good grocery, produce and confectionery.
