THE BEST OF BACON.

The lighter pigs will make bacon—you need not be so particular about the size—as a pig which weighs dressed 150 pounds will make choice bacon. Cut the sides into strips and put them for six weeks into a brine made as follows: For 100 pounds of meat, use six pounds of salt, four ounces of saltpeter and six pounds of brown sugar with water enough to cover the meat closely packed in a clean cask; sprinkle a thin layer of salt on the bottom so that the meat will not come in direct contact with the wood. Put the skin side down and be sure the whole contents are covered with the brine. At the end of six weeks take up the meat and smoke it, using corn cobs or hard wood—smoke till it is a light brown or tan color. The pieces should be sewn up in muslin bags and covered with white-wash on the outside. When prepared in this way bacon can be cooked without freshening and it will keep sweet for a year or more. It should be stored in a dry cool place. Bacon prepared and preserved in the above way always comes handy for a side dish, or for a special meat taking the place of pork. It is excellent to cook with greens, and in various other ways that a thrifty and skilled housewife could devise.

TELEGRAPHIC NEWS.

Even Authors Make Pools.

NEW YORK, Dec. 6.—The *Mail and Express* says Joaquin Miller, Edward Everett Hale, Lew Wallace, Maurice Thompson and Franklin File, have agreed to write five associated works of fiction, to appear in January. The profits of the publication will be equally divided. Joaquin Miller writes with the glorious sunlit bay of San Francisco in sight, Hale will locate his story in New England, Thompson in Bay St. Louis, and File writes about New York city.

A Brutal Policeman.

SAN FRANCISCO, Dec. 6.—Police Officer Thomson, who shot and killed Christopher Rosenblock last night, and Officer Pugh, who was with Thomson at the time, were dismissed from the police force this afternoon.

They Say.

WASHINGTON, Dec. 6.—Five of Maine's representatives and senators say Blaine should and will be offered the secretaryship of state, and that he will probably accept it.

Dakota.

NEW YORK, Dec. 5.—The *Evening Sun's* Washington special says: A prominent citizen of Dakota says there is very little prospect of that territory being admitted as a state either during this session of congress or the next. The territory contains enough inhabitants to warrant its being cut into two states, and that is the desire of a majority of its people. They want the territory divided on the forty sixth parallel. This would give the republicans four more senators and two representatives. But the interests of the proposed states would be largely in favor of tariff reform.

Never Heard of Her.

ROCKFORD, Ill., Dec. 6.—Daisy Coster, aged 15, daughter of a prominent Oregon man, eloped with Charles Judson, a trapper hand. They were traced by Byron, and captured as they were making for Wisconsin. The girl declares she will marry Judson on the first opportunity. He is under arrest, charged with abduction.

The Union Pacific.

Manteith & Seitenbach's great closing sale will enable all to buy any line of goods fully 50 per cent. less than any other store in the valley.

Dandruff is probably one of the most difficult diseases of the scalp to cure, but Dandruff's Specific never fails to remove it permanently. Soreness after shaving is instantly relieved by its use.

For weak and delicate women nothing builds up the entire system more thoroughly and effectually than Oregon Kidney Tea. It is especially adapted to diseases peculiar to the sex, is pleasant to take and in every instance proves of great value. Oregon Kidney Tea is composed of herbs found in Oregon, is put up in neat tin boxes, and can be prepared fresh by simply steeping in hot water. It contains no mineral substance what ever, is pleasant to take and never fails to cure kidney or urinary troubles.

Highland, Clackamas county, Or., March 20. I have suffered with a disease of the kidneys for 6 or 7 years and for the last two months have been laid up with a pain in my back. A friend sent me a sample of the Oregon Kidney Tea, and having used it one week I can do a good day's work. I have derived more benefit from it than from all the medicines I have ever taken.
