Cash Goes a Long Way at Julius Gradwohl's

I have made arrangements for buying goods direct from the factories in Europe, and will sell at wholesale or retail, cheaper than any where else on the Pacific Coast. The following are some of my cash retail prices:

1/2 dozen unhandled tea cups and saucers, 35 cts.
1/2 dozen unhandled coffee cups and saucers, 45 cts.
1/2 dozen handled coffee cups and saucers, 50 cts.
1/2 dozen seven inch dinner plates, 45 cts.

These goods are all iron stone China and not a cheaper grade of goods. These prices are for 30 days.

JULIUS GRADWOHL.

Carpets.

Cheaper than you can buy them in Portland. Will sell a good grade of Brussels carpet for 60 cents; a heavy three ply carpet for 75 cents, and two ply carpets from 40 cents to 50 cents. Carries a large line of oil cloths, linoleum and window shades.

A. B. McILWAIN.

If you want a clean and fine smoke ask for J. Joseph's home made white labor cigars. For sale by most cigar dealers and at Joseph's factory.

His silver ware is 1847 Roger Bros, his stock of crockery is the best in the market and his line of dolls and children's play things generally is complete. His prices are the lowest on the coast.

MAKE HASTE SLOWLY.

Those who assume that the result of the late national election gives a general warrant for the increase of the cost of the necessities of life to consumers, would do well to make haste slowly.

A carpet combine to advance the cost of an article that is very general use; an oatmeal trust that has nearly doubled the cost of a very common article of food, and a coal combine to throw miners into idleness and advance fuel that is a universal necessity, are the early steps toward a general arbitrary control of prices to consumers.

Those who interpret the national verdict as an approval of the concentration of capital to oppress the great mass of the people, know little of the temper of the country and less about the political revolutions which now come swiftly to punish contentment for the popular will.

The imperative necessity of to-day is to cheapen the products of our industry without cheapening the wages of labor, by greatly cheapened raw materials for our mills and workmen. That is the first step toward cheapening the necessities of life; and if political leaders of the successful party are wise, they will take a prompt departure against monopoly control of prices and in favor of cheaper products.

Above all, let those interested make haste slowly in increasing the burdens of consumers. There is no country of the world that taxes its labor so oppressively as does our own, and the greed of centralized capital is to-day the gravest peril to the coming administration. Make haste slowly.

TELEGRAPHIC NEWS

A Conductor Killed.

LA GRANDE, Or., Dec. 14.—A Patterson freight conductor on the O. R. & N. met his death to-day near Kamela, on the Blue Mountains, under circumstances peculiarly sad. He had stated out on his last trip prior to promotion to a passenger train, and had reached the summit of the mountains in safety. Leaving Kamela, the train had gone only about four miles, when, having occasion to go to the engine, he fell between two cars, while the train was in rapid motion, and sustained injuries from which he died in about two hours. No external injury sufficient to produce death, but it is supposed the real cause was from the shock.

A Big Offer.

SAN FRANCISCO, Dec. 14.—It is stated here that Capt. John Howard, of the schooner-Rossario, has telegraphed East to the stockholders there that he would bring the Yaquina Bay vessel safely into this port for \$60,000. Most people think this offer is absurd, as if she could be floated, the sum is too large a one for the job. The Yaquina Bay was worth \$175,000.

In Honor of Columbus.

WASHINGTON, Dec. 14.—Gov. McCreary hopes to get through the house at this session a bill to provide for a permanent exposition of three Americans, in honor of the 400th anniversary of the discovery by Columbus. The bill is merely preliminary in its provisions, authorizing the president to appoint a board of nine directors to formulate a plan for the exposition, and appropriating \$25,000 for the expenses of their meeting.

Will Bore.

SAN JOSE, Dec. 14.—At a meeting of leading business men this evening it was decided to incorporate a company to bore gas and oil in this valley. The capital stock will be \$100,000 divided into 10,000 of \$10 each.

Excluding Them.

SAN FRANCISCO, Dec. 14.—The steamer City of New York, which arrived from Hong Kong and Yokohama to-day was the first steamer which has arrived from the Orient for a number of years without a single Chinaman aboard bound for this port.

Probably Stanley.

LONDON, Dec. 14.—It is rumored that Osman Digna in his letter expressed a willingness to surrender Emin Pasha and his white companion, provided England would agree to abandon Suakin.

CHRISTMAS COMING.—While hunting for holiday presents do not fail to call at Will & Starks and examine their fine stock of goods, consisting of gold and silver watches, chains, fobs, earrings, breastpins and jewelry generally. Also silver plated ware, clocks, etc. There are no more suitable presents in the market.

SUPERIOR.—That is the name of the stove at G. W. Smith's attracting so much attention. It is a splendid cook stove.

Now—raisins, currents, citron, lemons and oranges received at Wallace & Thompson's.

SKATES.—A full line of new skates just received at Stewart & Sox's. Just the things for Christmas presents for the boys.

BOOTS AND SHOES.—Call at A. B. McIlwain's and see the ladies' kid and pebble goat shoe, for \$1.50, former price \$2.50. A DEMOCRAT man has seen the shoe and can pronounce it a remarkably cheap shoe for the former price.

We will sell you groceries cheaper than any store in town.

BROWNELL & STANNARD.

Manteith & Skitenbach's great closing sale will enable all to buy any line of goods fully 50 per cent. less than any other store in the valley.
