I'm jolly and fat, though
 I needn't say that; for a glance at my size and a look in my eyes, and you plainly can see there's no flies upon me. I'm a little bit short both of breath and of hair, but from shoulders to knees you can see I'm all there. I smile and I laugh, I joke and I chaff; I refuse to be sad and I never get mad. But you'd never surmise where my happiness lies, so I'll up and confess what you never could guess. A good thing to eat is always a treat, which will make you as sweet as our sugar cured meat, makes you feel so content with the money spent that you're bound to feel glad; and you couldn't get mad though a man just as thin as a rail or a pin was to pull at your nose or tread on your toes. If you're fat or your're lean, if you're pleasant or mean, just give W. & T. a show to sell you right low, you will feel such a thrill of contentment until you'll wish you were fat to enjoy more of that. For the feeling's immense and you'll show your good sense by buying groceries, produce and crockery of W & T
