1803 in remembrance of the original thirteen  
states of the Union, on Washington Heights,

About \$75,000 will be required to defray the

desire may let their subscriptions pay for their

It is a common occurrence for children to get  
beans, grains of corn and other foreign sub-  
stances in their noses. This simple remedy is  
worth remembering: Get the child to open its  
mouth apply your mouth over it and blow hard.  
The offending substances will be expelled from  
its mouth.

It is stated, on what seems to be good au-  
thority, that dealers in baby carriages will  
charge the father of a first child \$25 for the  
same article that they sell to parents of some  
experience for ten. And the worst of it is,  
they have no difficulty in recognizing the father  
of a first baby every time.

measure that will be introduced at the coming

## TELEGRAPHIC NEWS

Tried to Raise Chickens.

WASHINGTON, Dec. 22.—The report that  
ex-President Hayes will be given a foreign mis-  
sion is believed by his Ohio friends to be true.  
The relations between Hayes and Harrison has  
been for years of the most cordial nature and  
the fact is still remembered that Hayes at one  
time seriously considered the advisability of call-  
ing Gen. Harrison into his cabinet. Hayes  
has long been desirous of going abroad, and the  
mission to Paris, or Berlin, or even Vienna,  
would be very agreeable to him.
