I'm jolly and fat, though I needn't say that; for a glance at my size and a look in my eyes, and you plainly can see there's no flies upon me. I'm a little bit short both of breath and of hair, but from shoulders to knees you can see I'm all there. I smile and I laugh, I joke and I chaff; I refuse to be sad and I never get mad. But you'd never surmise where my happiness lies, so I'll up and confess what you never could guess. A good thing to eat is always a treat, which will make you as sweet as our sugar cured meat, makes you feel so content with the money spent that you're bound to feel glad; and you couldn't get mad though a man just as thin as a rail or a pin was to pull at your nose or tread on your toes. If you're fat or your lean, if your'e pleasant or mean, just give W. & T. a show to sell you right low, you will feel such a thrill of contentment until you'll wish you were fat to enjoy more of that. For the feeling's immense and you'll slow your good sense by buying groceries, procreckery of W & T
