The Des Moines (Iowa) Leader, demo-
cratic, considers it not a little amusing to
see the West unprotected republican farmers in
the benefit of a lot of protected democratic
workmen in the East who vote against
protection and for "free trade." Come to
look at it, that sort of voting is a little
amusing, though too expensive for a steady
pastime.

A gentleman wants to know upon what
authority we said in yesterday's DEMOCRAT
that a majority of 16,000 of the votes of In-
diana was cast against Harrison. We
meant simply this, that in round numbers
there were 542,000 cast in that state, of
which Harrison received 263,000, or 16,000
less than a majority. His plurality over
Cleveland was 2300.

TELEGRAPHIC NEWS

A Negro Riot.

MEMPHIS, Tenn., Dec. 26.—A private letter
was received here to-night saying there was a
negro riot in progress in Lamar, Mississippi, and
asked some Winchester rifles be sent on the
first train. Lamar is just twelve miles south of
Grand Central railroad, Tenn., on the line of the Illi-
nois Central railroad. Every effort has been
made to get at the facts, but no response to
telegrams sent has been received up to mid-
night. It is rumored that two whites and five
negroes have been killed.

Dr. Carver.

MINNEAPOLIS, Dec. 26.—Dr. Carver, in his
third day's shooting, broke, up to 11 p. m.,
7190 balls and missed sixty. His record for
three days is 26,535 balls hit, about 2500 below
the average of 10,000 a day which will be neces-
sary to insure success in his attempt to break
60,000 balls in six days. To-night his physical
condition is bad. His head and arms are much
swollen and he suffers great pain. It is not be-
lieved he will be able to continue to the end of
the week.

A Big Haul.

TRUCKEE, Cal., Dec. 26.—The country is
being secured for the robbers who plundered the
overland train Monday night, but no trace of
them has been discovered yet. Wells, Fargo
& Co.'s representatives report the loss at \$56,-
000. The robbers refused to take a coin pack-
age containing \$10,500 saying it was too heavy
to carry.

Coming West.

NEW YORK, Dec. 26.—Wm J. O'Conner,
champion oars of America, arrived in the city
to-day. He will start for San Francisco with
George W. Lee in two weeks to row Jake Gau-
daur for \$2000 and the championship. O'Con-
ner said that he would leave for Australia on
March 7 to row Searle champion of the world,
for \$5000 a side and a cup.

An Exciting Accident.

YORK, Pa., Dec. 26.—While a Christmas
entertainment was being held last evening, in a
hall at East Prospect, this county, the building
collapsed and 300 people were hurled with the
broken floor from the second to the first floor.
To add to the terror of the situation, the stove
set fire to the ruins. A large number were bad-
ly bruised and cut, but fortunately there were
no serious casualties, and only a few were severely
injured.

A Competing Line.

TACOMA, W. T., Dec. 26.—J. L. Byron, here
from Chicago, represents capitalists of that
city. He says he will put on a new line of
steamers the coming season to compete
with the Oregon Railway & Navigation
Company's steamers on the lower sound.
The first will be built in Chicago and put
together here. It will be here the begin-
ning of April. All the vessels will be built
like the propellers on the Great Lakes,
with a draft of six to seven feet.
